5 SECTION 20. Section 5-5-30 of the Public Purchases Ordinance is hereby
6 amended as follows:

7 “§ 5-5-30 COMPETITIVE SEALED PROPOSALS.

8 (A) Competitive sealed proposals may be used for the purchase of goods,
9 services or construction, or to obtain concession contracts, particularly where
10 specifications cannot be adequately prepared that permit the award on the
11 basis of the lowest evaluated bid price; the use of proposals would promote
12 innovation, state of the art technology and overall efficiencies to the benefit of
13 the city; or the evaluation of responsive offers depends on levels of
14 performance, expertise, financial capability or other criteria and not price
15 alone.

16 (B) Purchases by competitive sealed proposals shall be made by a request for
17 proposals (RFP). The following provisions shall apply:

18 (1) The RFP shall include a weighted scale to indicate the relative importance
19 of evaluation factors to be used in the scoring of proposals.

20 (2) Pricing, revenues or other cost-related items will be a weighted factor in
21 scoring the proposals, unless the Chief Procurement Officer, makes a written
22 determination that a cost factor is inappropriate.

23 (3) Evaluation factors shall be developed by the user departments according
24 to their needs in conjunction with the Central Purchasing Office or CIP.

25 (4) The Mayor shall name an ad hoc advisory committee to evaluate proposals.
26 The committee shall include as one of its members a representative from the
27 department requesting the purchase.

28 (5) The contents of proposals may not be disclosed to any persons other than
29 the members of the ad hoc advisory committee or its advisors until approval
30 of the recommendation of award. If a request for proposals is canceled and a
31 similar RFP will be issued within six months, the contents of proposals
32 received in response to the first RFP may not be disclosed until after approval
33 of the recommendation of award for the second RFP, cancellation of the

1 second RFP, expiration of the six month period, or a written determination of
2 the Chief Procurement Officer that disclosure will not be detrimental to the
3 interests of the city and offerors.

4 (6) Additional information may be requested from and interviews may be
5 conducted with all offerors determined in writing by the ad hoc advisory
6 committee to be among the finalists considered for award. Revisions to
7 proposals may be permitted after the submission of proposals and prior to
8 approval of the ROA for the purpose of obtaining best and final offers. Any
9 discussions with finalists may not disclose any information derived from
10 proposals submitted by competing offerors.

11 (7) The committee shall submit to the Mayor the ROA containing a list of the
12 top three or more proposals in the order in which they are recommended by
13 the committee. The Central Purchasing Office shall retain as a public record
14 any committee notes which contain an explanation of the reasons for
15 selection.

16 (8) The committee's list of recommended proposals shall be approved or
17 disapproved or revised by the Mayor. If the Mayor has disapproved the list, he
18 shall provide the committee with his reasons for revision or disapproval of the
19 list, in writing.

20 (9) If City Council approval is required, the Mayor shall submit the ROA and an
21 executive communication containing the term and dollar amount of the
22 contract, and a copy of the RFP to the City Council for approval. The
23 executive communication shall be approved or disapproved by Council. In the
24 event of disapproval, the City Council shall give its reasons therefor. The
25 Mayor may submit a revised ROA to the City Council if an ROA is not
26 approved.

27 (10) If the ROA for an RFP has been approved by the City Council, the contract
28 resulting from that RFP and any supplements to that contract will not require
29 an additional approval by the City Council on the condition that the amounts
30 of the contract and contract scope were identified in the executive
31 communication or any related documents presented to City Council for
32 approval. Any supplement to a contract resulting from an RFP previously
33 approved by the City Council shall require additional approval by the City

1 Council if the contract is increased by over 20% of the amount previously
2 identified, or the supplement changes the scope of services related to the
3 management or operations of a City facility.

4 (11) Prior to City Council approval, but after the ROA has been initially
5 approved, negotiations may be conducted with the recommended offeror, or
6 offerors if multiple contracts will be awarded. If negotiations are unsuccessful,
7 as determined by the Chief Procurement Officer, negotiations may be
8 conducted with the next offeror or offerors identified in the ROA.

9 (12) An RFP for the City Council shall be subject to the provisions of this
10 article, with the exception that proposals submitted shall be evaluated and
11 recommended for award by an ad hoc advisory committee appointed by the
12 Director of Council Services, and the ROA shall be approved by the City
13 Council without the Mayor's approval.”

14 SECTION 21. Section 5-5-32 of the Public Purchases Ordinance is hereby
15 amended as follows:

16 “§ 5-5-32 SOLE SOURCE PURCHASES.

17 A contract may be awarded without a competitive solicitation regardless of the
18 estimated cost when the Chief Procurement Officer makes a determination,
19 after conducting a good faith review of available sources and consulting the
20 user department, that there is only one source for the required goods,
21 services, or construction. The Chief Procurement Officer or designee shall
22 conduct negotiations, as appropriate, as to price, delivery and quantity in
23 order to obtain the price most advantageous to the city. Any qualified potential
24 contractor may protest an intent to award a sole source procurement
25 exceeding \$75,000 within 30 calendar days after the sole source procurement
26 is posted to the ABQ View Website. Any sole source contract that exceeds
27 \$75,000 shall be subject to City Council approval.”

28 SECTION 22. Section 5-5-33 of the Public Purchases Ordinance is hereby
