Re: Request Rate Increase for Park Pavilion Rentals

Dear Members of Budget Ways & Means:

We request the consideration to increase the rates for Park Pavilion Rentals. This is except for George George Park which will stay at the current rate. The last rate increase was granted back in January 2009. Please refer below with the suggested increased rates.

Resident Current Price:	\$100
Resident New Price:	\$125
Non-Resident Current Price:	\$200
Non-Resident New Price:	\$225

Thank you for your consideration. If you have any questions, feel free to give me a call.

Respectfully submitted,

Scott Kleinfeld
Assistant Superintendent Department of Public Works
