Upon either an initial negative determination, if no request for reconsideration was made, or a negative determination after reconsideration, the landowner shall have thirty (30) days from the date of notification to appeal the determination to the Board of Commissioners. Such appeal shall be presented in writing and shall state the reason(s) therefore. The decision of the Board of Commissioners is final.

ARTICLE IX
REVOCAION, TRANSFER, RENEWAL, AND ENFORCEMENT OF CONSERVATION AGREEMENTS

A. Revocation

1. District. By providing 30 days advance written notice to the Advisory Board, a landowner of qualifying farmland within a District may revoke the Conservation Agreement or the Advisory Board may revoke the same Conservation Agreement based on noncompliance by the landowner with the provisions of Article VII, subject to the same provisions as contained in Article VIII(C) for appeal of denials. Such revocation shall result in loss of qualifying farm status and loss of eligibility to participate in a District. Absent noncompliance by the landowner, neither the Advisory Board nor the Board of Commissioners shall revoke any Conservation Agreement prior to its expiration. If the Advisory Board shall revoke this Conservation Agreement for cause, the landowner shall have the appeal rights set forth in Article VIII(C).
2. Enhanced District. Conservation Agreements for land within Enhanced Districts are IRREVOCABLE for a period of 10 years. At the end of the term, a notice of revocation shall be recorded in the county land record system [Register of Deeds Office] sufficient to provide notice that the land has been withdrawn from the Enhanced Voluntary Agricultural District program if the agreement is not automatically renewed, or renewed voluntarily by the landowner(s).

B. Transfer

1. District. Transfers of land in a District due to death of the landowner, sale, or gift shall not revoke the Conservation Agreement, if all new landowner(s) affirm the Conservation Agreement and affirm, on a supplemental application, updated information demonstrating that the enrolled land still qualifies for enrollment under Article VII of this Ordinance. In the event that there are water or sewer assessments held in abeyance by this Ordinance, and where the new owner(s) fail(s) to agree in writing to accept liability for those assessments when land is withdrawn either voluntarily or involuntarily from the District, the Conservation Agreement shall be revoked. Revocation shall be undertaken pursuant to the provisions of Section A of this Article.
2. Enhanced District. Transfers of land in a District due to death of the landowner(s), sale, or gift shall not revoke the Conservation Agreement. The Conservation Agreement for the Enhanced Voluntary Agricultural District shall be binding upon all successors in interest to the landowner, except for successors in interest resulting from the exercise of rights under a security interest or lien that preceded the Conservation Agreement.

C. Renewal

1. District. A Conservation Agreement for land within a Voluntary Agricultural District, that continues to qualify under all provisions of Article VII, shall be automatically renewed for a period of 10 years unless the landowner provides 30 day written notice to the Advisory Board of intent not to renew. Absent noncompliance by the landowner, neither the Advisory Board nor the Board of Commissioners shall fail to renew any Conservation Agreement unless this Ordinance or its authorizing legislation has been repealed.
2. Enhanced District. A Conservation Agreement for the Enhanced Voluntary Agricultural District shall be deemed automatically renewed for an additional term of 3 years, unless either the Advisory Board or the landowner gives written notice to the contrary prior to the termination date of the Conservation Agreement. At the end of the 3 year term, the Conservation Agreement for the Enhanced Voluntary

Agricultural District shall thereafter automatically renew for successive 1 year terms, unless either the Advisory Board or the landowner gives written notice to the contrary prior to the termination date of the Conservation Agreement.

D. Enforcement

1. District. Enforcement of the terms of a Conservation Agreement for land enrolled in a District shall be limited to revocation of the Conservation Agreement and the benefits derived therefrom. Revocation shall be undertaken pursuant to the provisions of Section A of this Article.
2. Enhanced District. Conservation Agreements for the Enhanced Agricultural District program may, at the election of the parties, include provisions requiring that any disputes between the county and the landowner be resolved through arbitration or mediation, and, in the event of litigation, that the prevailing party be awarded costs, including reasonable attorney fees. Enforcement of the terms of the Conservation Agreement may be through an action for injunctive relief and/or damages in any court of competent jurisdiction. The County may also terminate any benefits to the owner under this program either permanently or during the period of violation, as appropriate. If the Advisory Board shall revoke this Conservation Agreement for cause, the landowner shall have the appeal rights set forth in Article VIII(C). The right to terminate program benefits is in addition to any legal rights that the County may have under either this Ordinance or the terms of the applicable Conservation Agreement. The County may seek costs of the action including reasonable attorney fees if such a provision is incorporated into the Conservation Agreement.

**ARTICLE X
WAIVER OF WATER AND SEWER OR ALL UTILITY ASSESSMENTS**

A. No Connection Required

A landowner of property enrolled in the VAD or EVAD program shall not be assessed for or be required to connect Gates County water and/or sewer systems.

B. Abeyance

Water and sewer assessments shall be held in abeyance, without interest, for qualifying farms in a District, until improvements on such property are connected to the water or sewer system for which the assessment was made.

C. Termination of Abeyance

When the period of abeyance ends, the assessment is payable in accordance with the terms set out in the assessment resolution.

D. Suspension of Statute of Limitations

Statutes of limitations are suspended during the time that any assessment is held in abeyance without interest. The landowner shall be required to sign an acknowledgement, which shall be incorporated into the Conservation Agreement, of the abeyance of the statute of limitations upon collecting water and sewer assessments, or other utility assessments.

E. Other Statutory Abeyance Procedures

Nothing in this section is intended to diminish the authority of the County to hold assessments in abeyance under N.C.G.S. § 153A-201, or other applicable law.

F. Conflict with Water and/or Sewer System Construction and Improvements Grants

To the extent that this section conflicts with the terms of federal, state, or other grants under which county water and/or sewer systems are constructed, this section shall not apply. This section shall not apply to utilities that are not owned by the county unless the County has entered into an agreement with the entity(ies) owning the utilities and that agreement provides that this Ordinance shall apply.

**ARTICLE XI
ADDITIONAL ENHANCED AGRICULTURAL DISTRICT BENEFITS**

Land enrolled in the Enhanced Voluntary Agricultural District program is entitled to all of the benefits available under the Voluntary Agricultural District program, and to the following additional benefits under this Article:

A. Sale of Non-farm Products

Landowners participating in Enhanced Districts may receive up to twenty-five percent of gross sales from the sale of nonfarm products and still qualify as a bona fide farm that is exempt from county zoning regulations under N.C.G.S. § 153A-340(b). For purposes of N.C.G.S. § 153A-340(b), the production of any nonfarm product that the Department of Agriculture and Consumer Services recognizes as a "Goodness Grows in North Carolina" product that is produced on a farm that is subject to a Conservation Agreement under N.C.G.S. § 106-743.2 is a bona fide farm purpose. A farmer seeking to benefit from this subsection shall have the burden of establishing that the property's sale of nonfarm products did not exceed twenty-five percent of its gross sales. A county may adopt an ordinance pursuant to this section that sets forth the standards necessary for proof of compliance.

B. Agricultural Cost Share Program

Landowners participating in Enhanced Districts are eligible under N.C.G.S. § 106-850 (b) to receive the higher percentage of cost-share funds for the benefit of that farmland under the Agriculture Cost Share Program established pursuant to Article 72 of this Chapter for funds to benefit that farmland.

C. Priority Consideration

State departments, institutions, or agencies that award grants to farmers are encouraged to give priority consideration to landowners participating in Enhanced Districts.

D. Utility Assessment Waiver

As provided in Article X, waiver of all county utility assessments, in addition to waiver of water and sewer assessments, is available to all participants in Enhanced Districts.

**ARTICLE XII
PUBLIC HEARINGS**

A. Purpose

N.C.G.S. § 106-740 provides that no state or local public agency or governmental unit may formally initiate any action to condemn any interest in qualifying farmland within a District or Enhanced District until such agency or unit has requested that the Advisory Board hold a public hearing on the proposed condemnation. This provision ensures that the condemning agency or unit considers the impact of its actions upon agricultural, forestal, and/or horticultural land prior to taking action that is not reversible. This provision is not intended to, and does not, prohibit the condemning agency or unit from taking action that is authorized by law.

B. Procedure

1. Upon receiving a request, the Advisory Board shall publish notice describing the proposed action in the appropriate newspapers of Gates County within five (5) business days of the request, and will in the same notice notify the public of a public hearing on the proposed condemnation, to be held within ten (10) days of receipt of the request.
2. The Advisory Board shall meet to review:
 - a. Whether the need for the project has been satisfactorily established by the agency or unit of government involved, including a review of any fiscal impact analysis conducted by the agency involved; and
 - b. Whether there are alternatives to the proposed action that have less impact and are less disruptive to the agricultural activities of the District or Enhanced District within which the proposed action is to take place.
3. The Advisory Board shall consult with the Cooperative Extension Service office, the Soil and Water Conservation District office, the Natural Resources Conservation Service, and any other individuals, agencies, or organizations deemed by the Advisory Board to be necessary for its review of the proposed action.
4. Within five (5) days after the hearing, the Advisory Board shall make a report containing its findings and recommendations regarding the proposed action. The report shall be made available to the public prior to its being conveyed to the decision-making body of the agency proposing the acquisition.
5. There will be a period of ten (10) days allowed for public comment on the report of the Advisory Board.
6. After the ten (10) day period for public comment has expired, the Advisory Board shall submit a final report containing all of its findings and recommendations regarding the proposed action to the decision making body of the agency proposing the acquisition within five (5) days.
7. The total time period, from the day that a request for a hearing has been received to the day that a final report is issued to the decision making body of the agency proposing the acquisition, shall not exceed thirty (30) days. If the agency agrees to an extension, the agency and the Advisory Board shall mutually agree upon a schedule to be set forth in writing and made available to the public.
8. Pursuant to N.C.G.S. § 106-740, the condemning agency may not formally initiate a condemnation action while the proposed condemnation is properly before the Advisory Board within these time limitations.
