Barber asked how far this establishment needs to be from an educational institution or school. City Attorney Schaufelberger said this is only for public schools K-12. Estevez is concerned this will turn into a gaming facility, and doesnt want that so close to the square and university. Barber asked Kim Cruse, owner of Munchez, if she would enforce the age restrictions for alcohol sales, and she assured him she would. Blake Knox added we cant let gaming affect the bigger picture. Cruse stated she is wanting to do tastings so she can bring more business in to town.
