A BILL FOR AN ORDINANCE

RELATING TO FUNDS.

BE IT ORDAINED by the People of the City and County of Honolulu:

SECTION 1. Purpose. The purpose of this ordinance is to amend the ordinances relating to the solid waste special fund.

SECTION 2. Ordinance 85-90, as amended by Ordinances 97-44, 99-22, 00-26, 01-29, 02-28, and 03-09, is amended by amending SECTION 11 to read as follows:

"SECTION 11. Establishment of Special Fund. As aforesaid, the Project is a public undertaking from which revenues are or will be derived. All energy produced at the Project shall be available for use by members of the general public. In order to effectuate such directive the City and County shall contract with Hawaiian Electric Company, Inc. for the sale of all energy produced at the Project and shall provide in any such contract that such company shall furnish such energy to all persons who desire such service and who are within the service area of such company in the same manner as it makes other electric energy available to such persons.

The City and County shall annually transfer moneys to the Solid Waste Special Fund established by Section 6-49.1, Revised Ordinances of Honolulu 1990, in an amount equal to the cost of furnishing services from the Project to the City and County. Such moneys shall be subject to annual appropriation and may be included in the annual Operating Budget Ordinance or amendments thereto. The Bonds are general obligation bonds of the City and County of Honolulu and the interest and principal on such Bonds shall be a charge upon and paid from the General Fund of the City and County of Honolulu; provided, however, that the director of budget and fiscal services shall reimburse the General Fund for the payment of the principal of and the interest on such Bonds from the ~~[revenues of the Project]~~ moneys on deposit in the ~~[Solid Waste Disposal Facility Account of the]~~ Solid Waste Special Fund, after the payment of the costs of operation, maintenance, and repair of the Project, including reserves ~~[therefore,]~~ therefor, as provided herein. The costs of operation, maintenance, and repair of the Project shall include, without limitation, the costs of equipment, materials, and supplies used for the operation of the Project, including rentals of equipment or alterations to the Project; costs of employee compensation and fringe benefits; costs of utility services; costs of engineering, auditing, and legal services and general overhead expenses; taxes (other than property taxes), assessments and other governmental charges, or payments in lieu thereof; costs of insurance and fidelity bonds; and the costs of any operating fee or sharing of revenues from the Project payable under any
