# Eligibility Determination Policy for American Rescue Plan Act of 2021 Coronavirus State and Local Fiscal Recovery Funds

This policy defines the permissible and prohibited uses of the Coronavirus State and Local Fiscal Recovery Funds of H.R. 1319 American Rescue Plan Act of 2021 (ARP/CSLFRF) funds. It also outlines the procedures for determining how Laurel Park will spend its ARP/CSLFRF funds.

## I. PERMISSIBLE USES OF ARP/CSLFRF FUNDING

US Treasury issued its [Final Rule](#) regarding use of ARP funds on January 6, 2022. (The Final Rule is effective as of April 1, 2022. Until that date, a local government may proceed under the regulation promulgated by US Department of the Treasury in its [Interim Final Rule](#) or the Final Rule.) The Final Rule (and the Interim Final Rule) identify permissible uses of ARP/CSLFRF funds and certain limitations and process requirements. Local governments must allocate ARP/CSLFRF funds no later than December 31, 2024 and disburse all funding no later than December 31, 2026. Failure of an entity to expend all funds by December 31, 2026 will result in forfeiture of ARP funds.

ARP/CSLFRF funds may be used for projects within the following categories of expenditures:

1. Support COVID-19 public health expenditures, by funding COVID-19 mitigation and prevention efforts, medical expenses, behavioral healthcare, preventing and responding to violence, and certain public health and safety staff;
2. Address negative economic impacts caused by the public health emergency, including economic harms to workers, households, small businesses, non-profits, impacted industries, and the public sector;
3. Replace lost public sector revenue, using this funding to provide government services to the extent of the reduction in revenue experienced due to the pandemic;
4. Provide premium pay for essential workers, offering additional support to those who have borne and will bear the greatest health risks because of their service in critical infrastructure sectors; and
5. Invest in water, sewer, and broadband infrastructure, making necessary investments to improve access to clean drinking water, support vital wastewater and stormwater infrastructure, and to expand access to broadband internet; and

## II. PROHIBITED USES OF ARPA FUNDING

The ARP/CSLFRF and US Treasury's Final Rule prohibit certain uses of ARP/CSLFRF funds. Specifically, ARP/CSLFRF funds may not be used for projects within the following categories of expenditures:

1. To make a deposit into a pension fund that constitutes an extraordinary payment of an accrued, unfunded liability (Note that routine contributions as part of a payroll obligation for an eligible project are allowed.);
2. To borrow money or make debt service payments;
3. To replenish rainy day funds or fund other financial reserves;
4. To satisfy an obligation arising from a settlement agreement, judgment, consent decree, or judicially confirmed debt restricting in a judicial, administrative, or regulatory proceeding (There is an exception to this prohibition if the settlement or judgment requires the Town of Laurel Park to provide services to respond to the COVID-19 public health emergency or its negative economic impacts or to provide government services, then the costs of those otherwise ARP/CSLFRF-eligible projects are allowed.);
5. For a project that includes a term or condition that undermines efforts to stop the spread of COVID-19 or discourages compliance with recommendations and guidelines in CDC guidance for stopping the spread of COVID-19;
6. In violation of the conflict-of-interest requirements imposed by the award terms and 2 CFR 200.318(c).
