RULES GOVERNING REQUESTS FOR APPROVAL OF PERMITS TO SELL MALT OR BREWED BEVERAGES FOR CONSUMPTION OFF PREMISES IN PHILADELPHIA

WHEREAS, Act No. 39 of 2005 amended the Pennsylvania Liquor Code to require restaurant and retail dispenser licensees who wish to sell malt or brewed beverages for off-premises consumption in Philadelphia to obtain a special permit from the Pennsylvania Liquor Control Board; and

WHEREAS, Act No. 39 requires that an application for such special permit must be accompanied by a copy of the approval of such request given by the Council of the City of Philadelphia ("Council"), which must render a decision by ordinance or resolution within forty-five days of receipt of a request for such approval; now, therefore,

The following rules are hereby adopted to implement Act No. 39 of 2005:

I. Application Form Required

A. A request for Council's approval of a permit to sell malt or brewed beverages for consumption off the premises pursuant to Act No. 39 of 2005 must be made to the Chief Clerk of Council on an application in the form attached hereto as Exhibit "A." No application will be accepted without payment of a non-refundable application fee of \$300. Payment may only be made by cashier's check, certified check or money order.

B. All applications must be filed in person in Room 315 City Hall, Philadelphia, PA 19107. Upon receipt of an application, the Clerk (the term "Clerk," for purposes of these rules, shall include any staff designated by the Clerk) shall review the application, and shall reject any application that is incompletely filled out or that is not accompanied by payment of the application fee.

C. If an application is complete and accompanied by payment of the application fee, the application shall be stamped as "filed" with the date and time noted on the application and two copies of the application, stamped as filed, shall be given to the applicant.

D. The 45 day period within which Council may approve or disapprove a request under Act 39 of 2005 shall not begin to run until the date an application has been stamped as "filed." If the certified or cashier's check or money order

used to pay the application fee is dishonored or returned unpaid, the applicant shall be so notified that:

1. The application has been rejected by Council by reason of non-payment of the application fee and the 45 day period for action by Council has ceased to run;

2. The applicant must remit an additional \$25 fee to Council for the returned or dishonored payment;

3. The full 45 day period shall commence to run on the date a new certified or cashier's check or money order used to pay the application fee plus the additional \$25 dishonored payment fee have been received by Council.

4. Upon the remittance of a new certified or cashier's check or money order, a new poster shall be issued to the applicant, as described in Section II., except that the date of remittance of the new payment shall be substituted for the date of application on the poster.

II. Required Posting of Premises for Which Permit is Sought

A. Immediately after the Clerk stamps an application as "filed," the Clerk shall provide the applicant with a poster in the form attached hereto as Exhibit "B."

B. The poster shall be prominently displayed in a conspicuous place which can be readily observed by passersby at or near the entrance to the premises for which the permit is sought ("Premises").

C. The poster shall be displayed beginning the day after the application is stamped "filed," and shall remain on display for twelve (12) consecutive days.

D. If an inspection demonstrates a violation of the posting requirements of this Section II, the Chief Clerk shall reject the application and the 45 day period for Council action shall cease to run. In that event, the applicant must refile its application. A new application fee will not be required where the original application was rejected for failure to properly post the premises. The 45 day period for Council action shall start anew from the date of the refiled application.

III. Filing Protests

A. Protests may be filed against any application no later than fourteen (14) days after an application is accepted, except that if such protest period ends

RESOLUTION NO. 050756 *continued*

on a weekend day or on a holiday on which City Hall is closed, the protest period shall be extended until the next business day on which City Hall is open.

B. Protests may be filed in the form set forth in Exhibit "C," or in any other form that contains the location of the Premises being protested, the name and authorized signature(s) of the person(s) filing the protest, and evidence that the person meets the requirements of subsection III(C). Protests may be filed in person with the Clerk in Room 315 City Hall, Philadelphia, PA 19107, or may be filed by first class mail addressed to the Clerk at that same address. Protests filed by mail must be received in the office of the Chief Clerk by 5:00 PM on the fourteenth (14th) day after the date of application.

C. The Clerk shall accept a protest with respect to a particular Premises only if it is filed by one of the following:

1. Any combination of fifteen (15) individuals or businesses who reside or which are located within 500 feet of the Premises;

2. A house of worship, school, daycare center, senior citizen center, charitable institution or other non-profit organization, located within 500 feet of the Premises;

3. An elected official of any level of government (including a member of Council) who represents a district that includes the Premises. An at-large member of Council shall be considered to represent all districts of the City for purposes of this rule;

4. The City and County of Philadelphia, acting through any of its agencies, departments, boards or commissions;

5. The Commonwealth of Pennsylvania, acting through any of its agencies, departments, boards or commissions; or

6. A community or neighborhood group, or other organization that includes any combination of fifteen (15) individuals or businesses who reside or which are located within 500 feet of the Premises.

D. The Clerk shall reject any protest that does not meet all requirements of this Section, and shall notify such person in writing why the protest was rejected. Any person whose protest has been rejected by the Clerk may appeal in writing to the Council President within five (5) days of the mailing of the rejection notice, and the Council President shall make the final determination as to whether a protest is accepted or rejected. Such appeals shall be decided by the Council President after the person appealing and the applicant are given notice and an opportunity to be heard on the matter. Such hearings shall be limited to the issue of whether the protest meets all requirements of this

City of Philadelphia

RESOLUTION NO. 050756 *continued*

Section. The Council President may designate staff to conduct hearings and to make reports of such hearings to the Council President. If an appeal of a rejected protest involves Premises located within a district represented by the Council President, the Majority Leader shall carry out the duties of the Council President under this subsection III(D).

IV. Effect of Protests

A. If the fourteen (14) day period for filing a protest passes without any protest having been accepted, and if all appeals (if any) filed under subsection III(D) have resulted in the protests being rejected, then the application shall be deemed approved, and the Clerk shall so notify the applicant and the Liquor Control Board ("LCB").

B. If a protest has been accepted, the matter shall be referred for a hearing to a hearing examiner retained by Council, and the application shall be approved or disapproved under the process set forth in Sections V and VI.

V. Hearing Process

A. When an application is referred to a hearing examiner, the applicant and all persons filing a protest, all elected officials representing the district which includes the location, the Police Department, the Department of Licenses and Inspections, the Law Department, the District Attorney for Philadelphia County, and the State Police Bureau of Liquor Control Enforcement shall be notified of the date, time and place of a hearing. In the case of a protest filed by a community or neighborhood group, or other organization, notice shall be provided to the designated office or headquarters of the organization. In the case of a protest filed by any combination of fifteen individuals or businesses, notice shall be provided to the person designated by the protesters to receive such notices, or if no designation has been made, to the person who submitted the protest to Council.

B. The purpose of the hearing shall be to receive evidence (either testimonial or documentary) from the parties and from any other person relevant to the issue of whether approving the application would adversely affect the welfare, health, peace and morals of the City or its residents. Any person who attends the hearing may choose to enter an appearance, or may choose only to provide evidence without entering an appearance. The applicant, all persons who filed a protest, and any person who enters an appearance at the hearing shall be considered to be "parties" for purposes of these rules.

C. At the hearing, any person shall have the right to be represented by counsel or to appear without counsel, except that any for-profit corporation must be represented by an attorney-at-law authorized to practice within the Commonwealth of Pennsylvania.

City of Philadelphia

RESOLUTION NO. 050756 continued

D. In accordance with the Local Agency Law, 2 Pa. C. S. §551 et seq., the conduct of the hearing shall not be bound by technical rules of evidence, and all relevant evidence of reasonably probative value may be heard. Reasonable examination and cross-examination shall be permitted.

E. At the close of the hearing, the hearing examiner shall announce that the record is closed, unless any person has additional evidence to submit and shows good cause why that evidence could not be submitted at the hearing, in which case the hearing examiner may announce that the record shall remain open for no more than forty eight (48) hours during which any person who attended the hearing may submit any reasonably relevant documentary evidence, provided all parties shall receive a copy of any such submission. The hearing examiner may also provide all parties a forty eight (48) hour period of time to submit written argument based upon the record developed at the hearing.

F. Hearings shall be stenographically reported by a reporter provided by the Council, and a transcript of the report shall be a part of the record and the sole official transcript of the proceeding.

G. Following the close of the record, the hearing examiner shall file with the Clerk, and mail to all parties, a written report setting forth the following:

1. The name of the applicant and the location of the Premises;
2. The name(s) of the person(s) filing a protest;
3. A summary of the evidence received at the hearing, including the names of all parties and the names of any other persons who testified or submitted documentary evidence;
4. A recommendation as to whether the application should be approved or disapproved, or approved with conditions, and reasons for that recommendation.

H. In considering whether to recommend approval of an application, the hearing examiner shall consider whether approving the application would adversely affect the welfare, health, peace and morals of the City or its residents, and in particular, the hearing examiner shall consider the following factors in addition to any other issues developed at the hearing:

1. The history of state and local law enforcement actions brought against the Premises, its owner(s), its staff and its patrons;
2. The number and nature of calls to the Police Department's 911 emergency response system or to the State Police Bureau of Liquor Control

City of Philadelphia

Enforcement relating to the incidents occurring within and immediately outside the Premises;

3. The character of the surrounding neighborhood, including the presence of vulnerable populations and the nature and extent of community opposition to the take-out sale of beer at the Premises;

4. The proximity of houses of worship, schools, daycare centers, senior citizen centers, charitable institutions or other non-profit organizations to the Premises;

5. The impact on the surrounding community of other establishments engaged in the take-out sale of beer located in close proximity to the Premises;

6. The failure of the applicant to remain current in the payment of any City or School District taxes, charges, fees, rents or claims;

7. The failure of the applicant to obtain all other permits and approvals required by law for the operation of a take-out beer establishment at the Premises;

8. Whether the applicant has made any material false statements in any written application for Council approval of a take-out beer permit.

I. The hearing examiner's written report must be filed with the Clerk at least four days before the last scheduled Council session at which Council may approve or disapprove the application within 45 days after the application has been filed. All scheduling of hearings and granting of additional time to make written argument shall be conducted in accordance with this deadline.

VI. Council's Final Action After Receiving Hearing Examiner's Report

A. At any time after the hearing record is complete, Council may, at any public meeting of Council, accept or reject the hearing examiner's recommendations, and approve or disapprove the application by Resolution.

B. With the approval of the applicant, Council may include in a Resolution approving an application conditions that Council believes are reasonably related to protecting the welfare, health, peace or morals of the City or its residents. A licensee's failure to abide by such conditions may be taken into consideration by Council when it considers whether to approve future applications by such licensee.

City of Philadelphia

RESOLUTION NO. 050756 *continued*

C. Copies of a resolution approving or disapproving an application shall be mailed to all parties, and the LCB shall be promptly notified of all such decisions.

D. If Council does not adopt a resolution approving or disapproving an application within 45 days after an application has been stamped as "filed," the application shall be deemed approved.

VII. Docket Information

A. The Clerk shall maintain information on each application that has been filed, the date the 45 day period for Council action under Act 39 expires, the deadline for filing a protest, whether a protest has been filed, the date of a scheduled hearing, the date and nature of any Council action, whether a recommendation has been filed by a hearing examiner, and similar docket information.

B. The Clerk shall maintain such docket information in an easily searchable electronic format and shall update such information regularly. Updated information shall be made available to all members of Council, other elected officials who represent any portion of the City, the LCB, and any other interested person upon request.

VIII. Appeals

A. If an appeal is filed from any final decision of Council on an application, staff designated by the Council President shall prepare findings of fact and conclusions of law with respect to that application.

B. Council shall adopt findings of fact and conclusions of law by Resolution.
