

City of Philadelphia

(Bill No. 070821)

AN ORDINANCE

Amending Subcode “A” (The Philadelphia Administrative Code) of Title 4 of The Philadelphia Code, entitled "The Philadelphia Building Construction and Occupancy Code,” by amending certain administrative and enforcement provisions and the fee schedule for various construction related activities, all under certain terms and conditions.

THE COUNCIL OF THE CITY OF PHILADELPHIA HEREBY ORDAINS:

Section 1. Title 4 of The Philadelphia Code is amended to read as follows:

TITLE 4. THE PHILADELPHIA BUILDING CONSTRUCTION AND OCCUPANCY CODE

* * *

CHAPTER 4-200. TEXT OF SUBCODES

SUBCODE “A” (THE PHILADELPHIA ADMINISTRATIVE CODE)

* * *

CHAPTER 3 PERMITS

SECTION A-301 APPLICATION FOR PERMIT

* * *

A-301.1 Permits required: An application shall be submitted to the department for the activities listed in Sections A-301.1.1 through A-301.1.5 and these activities shall not commence without a permit being issued in accordance with Section A-302.0. Where the scope of work includes more than one lot, a separate permit shall be required for each lot.

A-301.1.1 Building permits: A building permit is required for the following activities:

8. *Clearing, grubbing or earth disturbance of any land in excess of 5,000 square feet. No building permit shall be issued unless an erosion control plan has been approved for the site pursuant to applicable state and local stormwater-management requirements.*

* * *

A-301.2 Permits not required: Permits shall not be required for the activities listed in Sections A-301.2.1 through A-301.2.5 and the regulations promulgated pursuant thereto. Exemptions from permit requirements of this code or the technical codes shall not be deemed to grant authorization for any work to be done in any manner in violation of the provisions of The Philadelphia Code.

A-301.2.1 Building permits: A building permit shall not be required for the following activities. This subsection does not exempt any activity from any other applicable permit requirements under The Philadelphia Code, including Section 14-2007 relating to historic designations.

* * *

22. Replacement of non-fire-resistance rated windows and doors *in one- and two-family dwellings* without structural change (no change in shape or size of existing openings).

* * *

A-301.8 Time limitation of application: An application for a permit for any proposed work shall be deemed to have been abandoned [six months] *60 days* after the date of any request by the Department for information from the applicant or 60 days after notification by the Department that the application is approved and available for pick-up, [whichever is sooner,] unless the applicant provides any requested information to the Department and has taken the necessary steps to pick up the permit from the Department. The code official may grant one or more extensions of time for additional periods not exceeding 90 days each if there is reasonable cause.

* * *

A-302.2 Suspension of permit: Any permit issued shall become invalid if the authorized work is not commenced within six months after issuance of the permit, or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. The code official is authorized, for reasonable cause,

City of Philadelphia

to extend in writing the time for commencing the work for a period not exceeding six months upon written request of the permittee. No permit shall be extended more than once. In order to proceed with the work authorized by an expired permit, a new permit shall be obtained.

Exception: Zoning and use registration permits *and permits issued in connection with imminently dangerous or unsafe structures or conditions.*

* * *

A-302.2.3 Permits related to imminently dangerous and unsafe structures or conditions.

1. For permits issued in connection with imminently dangerous structures or conditions (see PM-308.1), the permit shall become invalid if the work does not commence within 48 hours after issuance or does not progress continuously until the structure or condition is made safe, unless the permit is otherwise extended by the Department.

2. For permits issued in connection with an unsafe structure or condition (see PM-307.1), the permit shall become invalid if the work does not commence within 10 days after permit issuance or does not progress continuously until the structure or condition is made safe, unless the permit is otherwise extended by the Department.

* * *

CHAPTER 9 FEES

SECTION A-901.0 GENERAL

* * *

A-901.11 Administrative fees: For items that require the Department to perform administratively, the fee schedule is listed below, *provided, however, that the Department is authorized to establish by regulation an alternative fee for any such activities, which alternative fee shall supersede the fee listed below. The fee for services that are provided shall be in addition to any permit or license fee set forth in this Chapter.*
