Authorizing real estate taxes for the City of Philadelphia and the School District of Philadelphia for Fiscal Year 2013 and thereafter, by amending Chapter 19-1300 of The Philadelphia Code, entitled "Real Estate Taxes," to provide for a tax and tax rate on real property, for exclusions, and for an established predetermined ratio; and by amending Chapter 19-1800 of The Philadelphia Code, entitled "School Tax Authorization," to further authorize the Board of Education of the School District of Philadelphia to impose a tax on real estate within the City of Philadelphia, and providing for a tax rate and for exclusions; all under certain terms and conditions.

*THE COUNCIL OF THE CITY OF PHILADELPHIA HEREBY ORDAINS:*

SECTION 1. Chapter 19-1300 of The Philadelphia Code is amended to read as follows:

### CHAPTER 19-1300. REAL ESTATE TAXES

§ 19-1301. Real Estate Taxes.

(1) (a) For each of the following years, a tax is hereby levied at the following respective rates on each one hundred (100) dollars of the assessed value of taxable real property returned by the Board of Revision of Taxes in the year immediately preceding the stated year:

Year of Tax	Tax Rate
* * *	* * *
2011 through 2012	\$4.123
[2013 and each year thereafter]	[\$3.305]

(b) *For tax year 2013, a tax is hereby levied at the rate of \$4.462 on each one hundred (100) dollars of the assessed value of taxable real property returned by the Office of Property Assessment or Board of Revision of Taxes for tax year 2011 (using the predetermined ratio of .32 then in effect), adjusted for subsequent improvements, demolition and destruction.*

(2) *For tax year 2014 and thereafter:*

*(a) The Tax Rate shall be calculated by dividing the Target Revenue Number by the Total Net Taxable Value.*

*(.1) The Target Revenue Number shall be \$560,086,355 minus the Minimum Tax Revenue.*

*(.2) The Minimum Tax Revenue shall be \$100 multiplied by the number of taxable real properties in the City, as certified by the Office of Property Assessment ("OPA") on or before November 15 of the year preceding the tax year.*

*(.3) Total Net Taxable Value shall be calculated by adding together the Net Taxable Value of all taxable real property in the City, as returned by the OPA and as calculated pursuant to subsection (b) below, as certified by the OPA on or before November 15 of the year preceding the tax year. Taxable real property shall include only properties, or portions of properties, not subject to exemption from or abatement of real estate tax, provided that taxable real property shall include the full value of any property that may be subject to relief under Chapter 19-3900 (longtime owner occupant relief).*

*(b) A tax is hereby levied on all real property in the City in an amount equal to \$100 plus the product formed by multiplying the Tax Rate by the Net Taxable Value of the property. Net Taxable Value shall be calculated by subtracting the amount of Homestead Exclusion, if any, provided for in § 19-1301.1, from the assessed value of the property returned by the OPA in the year immediately preceding the tax year, but in no event may Net Taxable Value be less than zero.*

*(.1) OPA stands for the Office of Property Assessment.*

(2) If the Commonwealth of Pennsylvania fails to provide legislation enabling City Council to enact Bill No. 131, introduced April 26, 1984, providing for the imposition of Business Privilege Taxes for Fiscal Year 1985, or if City Council fails to adopt Bill No. 131 for Fiscal Year 1985, the rate of tax shall be three (3) dollars and seventy-five and one-half (75 1/2) cents for the years 1985 through 1988.

(3) In the event that a court of competent jurisdiction enters a final order from which all appeals have been exhausted, determining that City Council lacked the authority to impose this rate for the year 1989, the rate shall revert to three dollars and fifty and one-half cents (\$3.50 1/2) for the year 1989.

(1) [Definitions.] *For assessments returned by the Office of Property Assessment in the year 2012 other than as required pursuant to §§ 19-1301(1)(b) and 19-1801(2)(b), the Established Predetermined Ratio to be used by the Office of Property Assessment in determining the assessed value of real property shall be one tenth of one percent (.1%). For assessments returned by the Office of Property Assessment in the year 2013 and thereafter, the Established Predetermined Ratio, to be used by the Office of Property Assessment in determining the assessed value of real property, shall be one hundred percent (100%).*

(a) Assessment Ratio. Either the ratio the BRT uses to determine the market value of a property from its actual market value (71% for tax year 2004), or the pre-determined ratio the BRT uses to determine the assessed value of a property from its market value (32% for tax year 2004).

(b) BRT. Board of Revision of Taxes.

(2) Whenever the BRT proposes to change an Assessment Ratio, it shall file notice of such proposal with the Clerk of Council, with copies to all members of Council. No such change to an Assessment Ratio shall be effective unless:

(a) Council by ordinance adjusts real estate tax rates (both under this Chapter and under Chapter 19-1800) to a level that Council finds will render the change in Assessment Ratio approximately revenue neutral. Such a finding shall be contained in the ordinance adjusting real estate tax rates, but it shall not be reviewable, and no tax rate shall be subject to challenge on the ground that Council's finding of approximate revenue neutrality was in error; or

(b) Council by ordinance makes a finding as to the impact the change in Assessment Ratio will have on tax revenues, and expressly approves such impact and the change in Assessment Ratio. Such ordinance may also adjust real estate tax rates (both under this Chapter and under Chapter 19-1800) to lessen the revenue impact of the change in Assessment Ratio.

(3) If the BRT has filed notice of a proposal to change an Assessment Ratio with the Clerk of Council, but no ordinance required by subsection (2) has been enacted into law at the time the BRT must certify its assessments, then the BRT shall certify assessments based upon the Assessment Ratio last used by the BRT.]
