

ORDINANCE NO. 10050 (NEW SERIES)

AN ORDINANCE ADDING SECTION 89.312
TO THE SAN DIEGO COUNTY CODE OF REGULATORY ORDINANCES
TO FORM AN UNDERGROUND UTILITY DISTRICT
ON ALPINE BOULEVARD
UNDERGROUND UTILITY DISTRICT NO. 111

The Board of Supervisors of the County of San Diego ordains as follows:

Section 1. Section 89.312 is hereby added to the San Diego County Code of Regulatory Ordinances to read as follows:

Sec. 89.312 UNDERGROUND UTILITY DISTRICT NO. 111.

The following described portion of San Diego County, State of California, is hereby declared to be Underground Utility District No. 111 of the County of San Diego:

A portion of Section 26 and Section 27, Township 15 South, Range 2 East, in the County of San Diego, State of California, being a 160 foot wide strip lying 80 feet on either side of a portion of centerline of Alpine Boulevard (SC1883) more particularly described as follows:

BEGINNING at a point on centerline of said Alpine Boulevard being 270 feet easterly of the centerline intersection of (100 foot wide) Alpine Boulevard and (40 foot wide) Marshal Road as shown on Record of Survey 12657, filed April 19, 1990 in the Office of the San Diego Recorder;
Thence easterly along the centerline of said Alpine Boulevard to a point being 975 feet easterly of the intersection of 100 foot wide Alpine Boulevard and 74 foot wide South Grade Road (SA 370) as shown on Map 13736 filed March 18, 1999 in the Office of the San Diego Recorder, being the **POINT OF TERMINATION**.

The sidelines of said strip will begin and end at right angles to the centerline of said Alpine Boulevard.

The Board of Supervisors shall by subsequent resolution set the dates by which all affected property owners shall be ready to receive underground utility service and by which the utility or utilities must remove all poles, overhead wires and associated overhead structures and make the necessary underground installation of wires and facilities for supplying electric, communication or similar or associated service within Underground Utility District No. 111 and notice of the adoption of such subsequent resolution shall be given by the Clerk of the Board of Supervisors in the manner

provided in Section 89.107(a) and (b) of this Division.

Section 2. It is the finding of the Board of Supervisors of San Diego County that the public health, safety and welfare require the removal of poles, overhead wires and associated structures, and the underground installation of wires and facilities for supplying electric, communication or similar or associated service within Underground Utility District 111. The Board of Supervisors further finds that Underground Utility District No.111, herein created, is in the general public interest because that portion of Alpine Boulevard, from 270' east of Marshall Road to 975' east of South Grade Road, within Underground Utility District No. 111, carries a heavy volume of vehicular traffic.

Section 3. This ordinance shall take effect and be in force thirty (30) days after the date of its passage, and before the expiration of fifteen (15) days after its passage it shall be published once, with the names of the members voting for and against the same in San Diego Commerce, a newspaper of general circulation published in the County of San Diego.

PASSED, APPROVED AND ADOPTED by the Board of Supervisors of the County of San Diego this 12th day of May, 2010.

CCSF, 84.27, 4/77
