The request shall contain the witness' name, classification, department and the name of the employee's immediate supervisor, and a statement as to the relevancy of the

expected testimony. As soon as reasonably possible prior to the time set for the hearing, the Chief Administrative Officer shall consult with the affected department head(s) and notify the requesting party of the approval or disapproval of the request. The approved employee witness shall then be released from work with no loss of compensation or benefits for the time required to present their testimony. A party to the petition shall not request release time for more than one witness when the testimony of the second or additional witnesses is unduly repetitious of the testimony of the first witness. A party shall not request release time for a County employee for the purpose of observing a hearing proceeding unless the employee is a charging, or charged, party. Any employee who has not had release time approved by the Chief Administrative Officer and the department head and who is present at a hearing during his or her scheduled work time shall be considered to be on unauthorized unpaid leave. Allegations that the Chief Administrative Officer or the department head have unreasonably denied witness release time shall be presented to the hearing officer in writing at the hearing.

The hearing officer may order that witness be released from work to attend a hearing to present evidence.

(m) **Duties of Hearing Officer Following Hearing.** Upon the close of a hearing and submission of briefs in accordance with Section K (6) of this Article, if any, the hearing officer shall, as expeditiously as possible, prepare a Proposed Decision and Order.

(1) **Proposed Decision and Order:** The Proposed Decision and Order shall include a written analysis of the record and of the arguments of the parties and shall include the findings of fact and determination of the hearing officer on all submitted issues.

(2) **Record of the Proceedings:** The original of the Proposed Decision and Order, together with petition(s) or charge(s), responses, notices of hearing, written motions, rulings or orders, the tape recorded record of the hearing, stipulations, exhibits and documentary evidence and briefs shall constitute the record in the proceedings and shall promptly be forwarded to the Clerk of the Board by the hearing officer. A copy of the proposed Decision and Order shall immediately be served upon each of the parties.

(n) **Exceptions.** Within ten (10) County business days from the date of service of the Proposed Decision and Order, any party may file with the hearing officer and serve on the parties a statement in writing setting forth exceptions to the findings of fact contained in the Proposed Decision and Order, alleging error(s) to the said findings of fact, together with a written brief in support of said exceptions. An allegation that the hearing officer has made an erroneous finding of fact(s) shall be the only basis for the filing of an exception to the Proposed Decision and

Order. Any party may within ten (10) County business days after such service, file a brief in support of the Proposed Decision and Order. A copy of such brief(s) shall immediately be served on the other parties to the proceeding.

- (o) **Decision and Order.** After the period for the filings pursuant to Section n above has expired, the hearing officer shall promptly decide the matters upon the record and shall issue a Decision and Order, which shall include a written analysis of the record of the arguments presented and exceptions filed by the parties along with the findings of fact and decision of the hearing officer upon the submitted issues. The hearing officer shall file such Decision and Order with the Chief Administrative Officer, and shall serve a copy upon all of the parties to the proceeding. The hearing officer shall also promptly forward a copy of the Decision and Order and all exceptions and briefs to the Clerk of the Board for inclusion in the record of the proceedings.

(1) **No Exceptions to Decision and Order.** If no exceptions to the hearing officer's Decision and Order are filed pursuant to Section 9 hereof within twenty (20) County business days of the date the Decision and Order is filed with the Chief Administrative Officer, the Decision and Order shall then stand. The parties shall then meet to develop the appropriate implementation procedure, if any is required.

(2) **Exceptions to Decision and Order.** Within twenty (20) County business days of the date the Decision and Order is filed with the Chief Administrative Officer, any party to the proceeding may file with the Chief Administrative Officer, a statement in writing setting forth exceptions to the Decision and Order alleging that it contains a misinterpretation or violation of County Policy or County Charter, together with a written brief in support of said exceptions. An allegation that the hearing officer's Decision and Order contains a misinterpretation or violation of County Policy or County Charter shall be the only basis for the filing of exceptions to the Decision and Order. Within fifteen (15) County business days after the period for the filing of exceptions has expired, the Chief Administrative Officer shall determine whether the hearing officer's Decision and Order contains the alleged misinterpretation(s) or violation(s).

(3) **Determination of No Misinterpretation or Violation of County Policy or County Charter.** If the Chief Administrative Officer determines that no misinterpretation or violation of County Policy or County Charter has been made by the hearing officer, the Chief Administrative Officer shall affirm the Decision and Order, which shall then stand. The parties shall then meet and develop the appropriate implementation procedure, if any is required.

(4) **Determination of Misinterpretation or Violation of County Policy or County Charter.** If the Chief Administrative Officer determines that a

misinterpretation or violation of County Policy or County Charter has been made by the hearing officer, the Chief Administrative Officer shall refer the matter for consideration, or reconsideration, or both, pursuant to (i) and (ii) below in his or her discretion, and give notice to all parties of such action:

(i) **Reconsideration by Hearing Officer.** The Chief Administrative Officer may refer the Decision and Order to the hearing officer by sending a statement identifying wherein the Decision and Order misinterprets or violates County Policy, the Memorandum of Agreement or County Charter and setting forth appropriate corrections and clarifications to the hearing officer. The hearing officer may amend the Decision and Order without convening a hearing of the parties, or may convene such hearing, at his or her discretion. Upon completion of the hearing officer's reconsideration, the Decision and Order, along with the record of any proceedings relating to the said reconsideration and any amendments to the Decision and Order, shall be filed with the Chief Administrative Officer and served on the parties. If the Chief Administrative Officer determines that the Decision and Order, as amended, no longer contains the said misinterpretation or violation of County Policy, the Memorandum of Agreement or County Charter, the Chief Administrative Officer shall affirm the amended Decision and Order, which shall then stand. The parties shall then meet and develop the appropriate implementation procedure, if any is required.

(ii) **Consideration by Board of Supervisors.** The Chief Administrative Officer may docket the hearing officer's Decision and Order, together with a copy of the exceptions, the Chief Administrative Officer's statement identifying wherein the Decision and Order misinterprets or violates County Policy or County Charter, the record of the proceedings, if any, any amendments to the Decision and Order made by the hearing officer pursuant to (1) immediately above and deemed by the Chief Administrative Officer to be insufficient to correct or clarify the misinterpretation or violation of County Policy or County Charter, and a recommendation by the Chief Administrative Officer as to the disposition of the Decision and Order. The Board shall consider the Decision and Order at a meeting which shall be open to the public, and may adopt, modify or reverse, in whole or in part, the Decision and Order of the hearing officer. The determination of the Board shall then stand. A copy of the Board's determination shall be served on the parties. The parties shall then meet to develop the appropriate implementation procedure, if any is required.

Section 3. Memorandum of Agreement.

If, after meeting and conferring in good faith, the designated representative of the Board and the representatives of a recognized employee organization reach agreement on wages, hours and other terms and conditions of employment, such representatives shall jointly prepare a written memorandum of agreement, which shall not be binding, and present it to the Board of Supervisors for determination. The written memorandum of agreement shall become binding on the County, on the recognized employee organization and the employees in the unit covered by the agreement, by approval of the Board of Supervisors.

- (c) **Mediation.** As soon as either party has declared impasse, and no later than five (5) days after the impasse declaration is submitted, the County shall notify the California State Mediation and Conciliation Service that the parties have reached impasse and request the appointment of a mediator and scheduling of mediation as soon as possible.

Before the scheduled mediation, the party that did not declare impasse shall provide the other party a detailed written statement of the party's position on each disputed issue. The County shall provide the appointed mediator with the parties' statements of the disputed issues.

If mediation results in an agreement, the parties shall proceed according to Section 3 of this Article.

- (d) **Fact-finding.** If mediation does not result in an agreement, no sooner than thirty (30) days, but not more than forty five (45) days following the appointment of a mediator, the Recognized Organization may submit a written request for fact-finding to the County. If the Recognized Organization submits a request for fact-finding, the parties shall proceed to fact-finding.

If the recognized organization requests fact-finding, the organization must also file an official request with the Public Employee Relations Board ("PERB"), and both parties thereafter must follow the procedures in Subsection "(f)" below, and also comply with appropriate PERB regulations regarding fact-finding.

(e) **Appointment and Scheduling of Fact-Finding Panel.**

(1) Predesignation:

The parties may agree at the onset of the negotiation or meet and confer process to the appointment and scheduling of the fact-finding panel in order to avoid unnecessary delay in the scheduling of the fact-finding panel and the representatives of the parties. If the parties agree to pre-designation, in the absence of agreement specifying an earlier date, the parties shall appoint their respective fact-finding panel members and the panel chair within one hundred and twenty (120) days prior to the expiration of the parties' MOA or if no expiration day exists, within one hundred and twenty (120) days of the beginning date of the County budget year in which the parties' MOA expires. - (i) An agreeable list of five (5) neutrals, who are available on the dates selected, mutually agreeable by the parties, or the parties can agree to contact the California State Mediation and Conciliation Service or the American Arbitration Association for a list of five (5) qualified fact-finders. Unless otherwise agreed to, the parties shall use an alternate strike method to select the fact-finding panel chairperson; or, in the absence of agreement,
- (ii) may request a fact-finding panel chairperson be designated by PERB.
- (iii) The confirmation of the scheduling shall be in writing, notifying each other of the party's selected fact-finding representative and confirming that the party's representative is available on the parties' selected fact-finding date.

(f) **Fact-Finding Hearing Procedures.**

- (1) The Panel shall, within ten (10) days after its appointment, meet with the parties or their representatives, either jointly or separately, and may make inquiries and investigations, hold hearings, and take any other steps it deems appropriate.

The panel may allow the examination and cross-examination of witnesses providing oral testimony. Presenters' oral and visual presentations shall be supported by and shall refer to written document sources, when available.
 - (6) The order of presentations and questions regarding the presentations shall be directed at the discretion of the fact-finding panel chairperson, however:
 - (i) Each party first shall be provided with the opportunity to review the opposing parties documents and arguments in support of their respective positions on the unresolved issues (Prehearing briefs will be preferred.);
 - (ii) After initial presentations, the panel may request supplemental documents or evidence; and at the discretion of the fact-finding panel chair, the panel may enter into informal mediation of the disputed issues; and,
 - (iii) The fact-finding panel shall determine if post-hearing briefs will be allowed. However, in no circumstances will the submission of briefs extend the thirty (30) day deadline for completion of the hearing process, unless extended by mutual agreement of the parties.
 - (7) Upon the request of the fact-finding panel chairperson, and with the agreement of the parties, these hearing procedures may be modified.
 - (8) If the dispute is not settled within thirty (30) days after the appointment of the fact-finding panel, or upon agreement by both parties within a longer period, the panel shall make findings of fact and recommend terms of settlement, which shall be advisory only. ARTICLE V. UNIT DETERMINATION AND MODIFICATION

Section 1. Criteria for Determination of Appropriate Unit.

A representation unit shall be determined to be appropriate pursuant to these criteria. The principal criterion for determining an appropriate unit shall be: the largest feasible group of employees having an identifiable community of interest for purposes of representation on matters within the scope of representation. In order to minimize the fragmentation of units, the minimum number of units consistent with effective labor relations shall be established. In addition, the following shall be applied in determining an appropriate unit:

- (a) Employees in a single classification shall all be included in the same unit.
- (b) The effect of the unit on efficiency of County operations shall be considered.

- (c) The history of determinations of appropriate units in the County shall be considered but shall not be the sole criterion.
- (d) Confidential employees shall not be included in the same unit with non-confidential employees.
- (e) Supervisory employees shall not be included in the same unit with nonsupervisory employees.
- (f) Management employees shall not be included in the same unit with non-management employees.
- (g) Professional employees shall not be required to be included in the same unit with nonprofessional employees.

Section 2. Unit Modification.

After a unit is determined to be appropriate by the County, those job classifications that have been assigned to that unit shall define the unit except that the unit may be modified for the following reasons:

- (a) New or formerly unrepresented job classifications may be added to an existing appropriate unit (accretion).
- (b) Obsolete or unused job classifications may be deleted.
- (c) A group of employees of the same class or similar classes, already members of a larger bargaining unit represented by an incumbent exclusive representative may be severed from the larger unit to form a new bargaining unit (severance).
- (d) Existing job classifications may be transferred between represented units by the County upon agreement between the appropriate employee organization(s) involved and the County, or after completion of a meet and confer process as required by law.
- (e) Two (2) or more units represented by the same exclusive representative may be consolidated, or an existing unit may be divided into two or more units represented by the same exclusive representative.
- (f) Management, supervisory and confidential positions may be designated by the County and placed in, or excluded from, units as determined by the County.

Section 3. Procedures for Unit Modification.

- (a) **Notice to Employees.** Notice of such proposed unit modification shall be provided in writing by the County to the employees in the affected classification(s) and the employee organization(s) involved.
- (b) **Appropriateness of Proposed Modification.** Any proposed unit modification or clarification must show that the proposed unit is more appropriate than the existing unit according to the criteria of Section 1 of this Article, except for the designation and placement of management, supervisory, or confidential classifications, or the deletion of obsolete classifications.
- (c) **Required Petition for Unit Modification.** Any proposed change in a unit under this Section must be initiated by a written Petition filed with the Clerk of the Board by an employee organization under procedures established in Article VI of this Ordinance, and must include the following, in addition to that required by Article VI:
- (1) An affirmation that the petition is filed by a recognized organization and not by an employee or unrecognized employees;
 - (2) Showing of proof of support of 30% of the group of employees to be accreted, severed, consolidated, or divided (Subsections 2(a), 2(c) and 2(e) above). However, the proof of support for accretion will only be required if the accretion increases the size of the unit by 10 percent or more.
- (d) **Denial of Petition for Unit Modification.** The County may deny any Petition for Unit Modification:
- (1) If the proposed unit does not meet the primary criterion of an appropriate unit as defined in Section 1 of this Article;
 - (2) If standards otherwise established for the petition are not met; or
 - (3) If the petition is not filed within the "window period" established in Article VI, Section 3, "Time for Filing Petitions."
- (e) **Deleting Unused or (Obsolete) Job Classifications from the Appropriate Unit.** When a job classification is no longer used by the County and no employee occupies a position in the classification, the Chief Administrative Officer shall provide written notification to the recognized employee organization of the unit that the job classification is:
- (1) no longer used by the County;
 - (2) no longer occupied by any employee of the County; and
 - (3) to be deleted from the unit.

A copy of the notice shall be filed with the Clerk of the Board for inclusion in the official file on the unit.

- (f) **Designation and Placement of Management, Supervisory, or Confidential.** The County Administrative Officer may change its designation of positions as management, supervisory, or confidential by written notice to the affected employee(s) and appropriate recognized employee organization(s), and by filing a copy with the Clerk of the Board.

A recognized employee organization may challenge the County's proposed designation by filing a petition according to Article VI within thirty (30) calendar days after the date the written notice was sent by the County. For this appeal, there shall be no required proof of support, nor shall existence of an MOA or the absence of a "window period" bar the processing of the petition or the right of the County to change a designation or placement.

ARTICLE VI. RESOLVING UNIT DETERMINATION AND REPRESENTATION QUESTIONS

Section 1. Petitions for Recognition, Unit Modification and Decertification.

An employee organization may file a petition with the Clerk of the Board for the following:

 - (4) By dividing or consolidating current representation units,
 - (5) By transferring positions from one unit to the other, or
 - (6) By designating and placing management, supervisory or confidential positions.
- (c) **Decertification.** To decertify the incumbent recognized employee organization for an existing appropriate representation unit because the employees within the

unit no longer desire to be represented by the incumbent organization or wish to be represented by another organization.

Section 2. Form of Petition.

All representation petitions shall be in writing and contain:

- (a) The name, title or classification and signature of the person filing the petition; and

Section 3. Time for Filing Petitions.

Representation petitions may be filed with the Clerk of the Board on any County business day excepting:

- (a) A petition which includes employees in a unit which participated in a valid representation election shall not be filed for a period of twelve (12) full months subsequent to the date the election results were certified; and
- (b) A petition which includes any employees in a unit for which the County recognized an employee organization shall not be filed for a period of twelve (12) full months subsequent to the date upon which such recognition was granted; and

This bar shall only apply during the first two (2) years of a multi-year agreement.
- (d) A representation petition appealing the identification, assignment or non-assignment of a new classification that was made by the Chief Administrative Officer shall be filed no later than thirty (30) calendar days after the date written notice was provided of the identification, assignment or non-assignment.

Section 4. Proof of Employee Support Required.

No question concerning representation shall be deemed to exist unless the petitioner raising such question by petition makes a showing of proof of employee support for the unit of the petition, as follows:

- (a) **Certification.** A certification petition shall require 30% proof of employee support within the proposed unit for the recognized employee organization seeking recognition in a proposed appropriate representation unit without a current incumbent recognized organization.
- (b) **Unit Modification.** A unit modification petition shall require proof of employee support of 30% of the group of employees to be accreted, severed, consolidated, or divided. However, the proof of support for accretion will only be required if the accretion increases the size of the unit by 10% or more. No proof of support shall be required for deletion of obsolete or unused classifications, or for the designation or placement of management, supervisory or confidential classifications.
- (c) **Decertification.** A decertification petition shall require 35% proof of employee support in the bargaining unit, whether filed by an employee organization seeking to become the recognized employee organization for an existing appropriate representation unit currently represented by an incumbent employee organization, or whether filed by a group of employees seeking to be unrepresented.
- (d) **Intervention.** A certification petition filed as a motion seeking to intervene in a proceeding filed pursuant to (a), (b) or (c) above, shall require proof of employee support of 10%; except that if the employee organization desiring to intervene seeks a unit different from that claimed to be appropriate by the petitioner, the required proof of support shall be 30% of the different alleged appropriate unit. Motions for intervention are made in accordance with Article VII, Section 6 (b).
- (e) **Nature of Proof of Support.** Such support shall be documented by employee authorization cards or documents which contain a statement in support of the petition and which are signed and dated by employees within four months prior to the date of filing the petition. Authorization cards or documents shall provide the name of each employee identifiable for verification and the classification of each employee upon the date of his or her signature. Only employees whose salary is fixed at a biweekly rate by the County; whose names appear on the payroll records of the payday immediately preceding the date of filing; and whose proof of support documents can be validated, including employees on paid leave of absence, shall be counted as valid proof of employee support. In the event a petition seeks an accretion to an existing appropriate unit that increases the size of the unit beyond 10%, it shall be necessary to submit the above-described

proof of employee support only for the classification or classifications proposed to be accreted to the unit.

Section 5. Required Registration of Employee Organizations.

An employee organization which files a representation petition or desires to intervene in a representation petition hearing shall register, if the organization is not registered, or is not a recognized employee organization.

Section 6. Processing Petition for Hearing.

- (a) **Proof of Employee Support.** Proof of support cards or documents are confidential. Upon receipt of a representation petition, the Clerk of the Board shall count the number of unverified signatures accompanying the petition as proof of employee support and immediately place the documents into an envelope that shall be sealed and outwardly identified as belonging with the petition that was filed. The Clerk shall request the Auditor and Controller to furnish the payroll records of the payday immediately preceding the date the petition was filed for the unit of the petition. Upon receipt of the necessary payroll records from the Auditor and Controller, the Clerk shall file such records with the proof of employee support envelope. The Clerk shall make the documents and records available only to the hearing officer assigned to investigate the petition upon the date of the hearing.

The Clerk of the Board shall then request the Chief Administrative Officer to assign the investigation of the petition to a hearing officer and schedule the time and place for hearing which shall be a time mutually agreeable to the parties. Upon receipt of the hearing officer assignment and time and place for hearing from the Chief Administrative Officer, the Clerk shall provide a notice of hearing to those who were sent the notice of filing. The

notice of hearing shall be provided at least fifteen (15) County business days in advance of the date specified for hearing. The notice shall state the date, time and place fixed for hearing and identify the name of the hearing officer assigned to investigate the petition. A copy of the petition shall be served with the notice of hearing.

Section 7. Intervention.

An employee organization desiring to intervene in any representation petition hearing shall file a motion for intervention stating the grounds upon which such organization claims to have an interest in the proceeding, which motion shall be accompanied by proof of employee support of 10% of the unit of the petition. Motions for intervention made prior to the date of the hearing shall be filed in writing with the Clerk of the Board who shall provide copies to the petitioner and the Chief Administrative Officer. Motions for intervention made at the hearing shall be filed with the hearing officer in writing. Such motions for intervention may be filed to challenge:

Section 2. Assignment of Cases to Hearing Officers.

- (a) **Assignment.** Each representation case filing shall be assigned to a hearing officer.
- (b) **Consolidation of Cases.** When more than one case has been filed involving all or part of the same group of employees, or otherwise raising common issues, the Chief Administrative Officer may consolidate the assignment of such cases to the same hearing officer.

Section 3. Payment of Costs for Hearing Officer.

A hearing officer shall present such charges as are reasonably and customarily for his or her services and attendant expenses at the conclusion of the hearing. The County and the employee organization(s) that are party to a representation petitioner an election shall equally bear the costs presented by the hearing officer.

Section 4. Authority of Hearing Officer.

The assigned hearing officer shall be granted the authority on behalf of the Board to conduct an investigation and hearing that shall be open to the public. A hearing officer shall be authorized to perform such other duties as are assigned to such hearing officer pursuant to the provisions of this Ordinance. A hearing officer shall not be authorized to add to, subtract from, or to recommend any additions to, or subtractions from, the provisions of this Ordinance. A hearing officer shall not be authorized, nor shall attempt, to mediate any issue submitted to him or her for hearing and investigation unless expressly requested by mutual agreement of the parties.

Section 5. Duties of the Hearing Officer Prior to Representation Petition Hearing.

On the date set for hearing a representation petition, the Clerk of the Board shall deliver the petition file to the appointed hearing officer who shall first examine the petition to ascertain whether it has been properly filed, and determine whether the proof of employee support is valid.

- (a) **No Question of Representation.** If, after examining the petition and support documents, the hearing officer determines that there is no reasonable cause which demonstrates that a question of representation of County employees exists, the hearing officer shall so rule and shall order the hearing for the petition to be cancelled. As expeditiously as possible, the hearing officer shall prepare a written decision and order pursuant to Section 11 of this Article.

- (b) **Question of Representation.** If, after examining the petition and support documents, the hearing officer determines that there is reasonable cause which demonstrates that a question of representation of County employees exists, the hearing officer shall open the hearing on the petition and shall conduct such hearing pursuant to the provisions of Section 6 of this Article.

Section 6. Conduct of Hearings.

Hearings shall be open to the public. It shall be the duty of the hearing officer to inquire fully into those matters at issue in order to provide a full and complete record.

- (a) **Scheduling of Hearing.** The hearing officer may, at his or her discretion, continue a hearing from day to day, or adjourn it to a later day or to a different place.
- (b) **Motions.** All motions filed in writing or stated orally on the record at the hearing, or filed in writing after the hearing for good reason, as determined by the hearing officer, shall state briefly the action or relief sought and the grounds for such motion. Upon such order, the intervener shall become a party to the proceeding. In a representation petition hearing, the hearing officer shall allow:
- (1) An employee organization, which is the recognized employee organization of any employees in the alleged appropriate unit of the petition, the right to intervene as a party to the proceeding; and

Any employee organization desiring to intervene in a representation petition hearing for the purpose of seeking an election in a unit different from that claimed to be appropriate by the petitioner shall be required to make a showing of proof of employee support of at least 30% of the

employees in the unit claimed to be appropriate by the organization seeking intervention.

The hearing officer and any party to a hearing shall have the power to call, examine and cross-examine witnesses and to introduce into the record documentary and other evidence. The hearing officer may exclude evidence deemed irrelevant, unduly repetitious, prejudicial, or privileged by law. Witnesses shall be examined orally under oath. The rules of evidence prevailing in courts of law or equity shall not be controlling. Stipulations of fact may be introduced into evidence with respect to any issue.
- (b) **Objections Respecting Conduct of Hearing.** Any objection with respect to the conduct of the hearing, including any objection to the introduction of evidence, may be stated orally or in writing, accompanied by a short statement of the grounds of such objection and included in the record. No such objection shall be deemed waived by further participation in the hearing.

- (f) **Briefs.** A hearing officer shall, upon request, allow the parties to a hearing to file written briefs following the completion of the hearing. Copies of such briefs shall be concurrently served upon all parties to the hearing.

- (a) **Documentary Evidence and Records.** Each party to a hearing shall, at his or her own expense, produce all documentary evidence and records necessary to the presentation of his or her case, and shall provide a copy of such documentary evidence to all parties to the hearing. A hearing officer may request any of the parties to a hearing to produce such written materials or records which

are deemed by the hearing officer as necessary to his or her full inquiry into all matters at issue. In the event the hearing officer requests the County to produce such written materials and records, the Chief Administrative Officer shall cause the production of all requested materials and records as may be lawfully provided to the hearing officer.

- (b) **Witnesses.** Any expenses which may be charged by witnesses summoned before the hearing officer shall be paid by the party at whose instance the witness appears. Any party to a hearing who desires to call a County employee as a witness at a hearing shall file a request for witness release time with the Chief Administrative Officer no later than five (5) County business days prior to the date of hearing. This notice may be waived by written stipulation of the parties to the hearing, or by written order of the Chief Administrative Officer. The request shall contain the witness' name, classification, department and the name of the employee's immediate supervisor, and a statement as to the relevancy of the expected testimony. As soon as reasonably possible prior to the time set for the hearing, the Chief Administrative Officer shall consult with the affected department head(s) and notify the requesting party of the approval or disapproval of the request. The approved employee witness shall then be released from work with no loss of compensation or benefits for the time required to present their testimony. A party to the petition shall not request release time for more than one witness when the testimony of the second or additional witnesses is unduly repetitious of the testimony of the first witness. election be held and shall authorize the hearing officer who prepared the Decision and Order to retain jurisdiction in the case and investigate all issues which may arise out of the election.

Only one (1) runoff election shall be held pursuant to this Section.
