

**ORDINANCE NO. 10786 (NEW SERIES)**

**ORDINANCE AMENDING THE SAN DIEGO COUNTY CODE OF REGULATORY  
ORDINANCES TO ADJUST DEPARTMENT OF ENVIRONMENTAL HEALTH AND QUALITY  
REGULATORY PROGRAM FEES AND ASSOCIATED ORDINANCE REVISIONS**

The Board of Supervisors of the County of San Diego ordains as follows:

**Section 1. Purpose.**

This ordinance adjusts fees payable to the Department of Environmental Health and Quality (DEHQ) during Fiscal Year 2022-23 (and continuing until amended) as directed by the Board of Supervisors on April 6, 2022 in order to continue to meet program objectives, provide a level of service expected by stakeholders and customers, and fully recover costs except in two cases: (1) where alternative funding has been used to offset increases to permit fees; and (2) where the Board of Supervisors (Board) has previously directed the waiver or discounting of fees. Where fees are set below DEHQ expected costs, supplemental non-fee revenues are expected to be available to make up those deficits. Annual adjustment to fees are planned, to implement the Department's commitment to the Board to make recovering costs a regular part of business, while providing stakeholders an opportunity to plan for fee adjustments.

Section 2. Section 61.102 of the San Diego County Code is hereby amended to read as follows:

**SEC. 61.102. DEFINITIONS.**

The following definitions shall apply to this chapter and to Chapter 3 of this Title:

"CFO" means "Cottage Food Operation" as defined in HSC section 113758.

"CRFC" means the California Retail Food Code, which is codified in the California Health and Safety Code.

"Department" means the County Department of Environmental Health and Quality.

"Director" means the Director of Environmental Health and any person appointed by the Director to enforce or administer this chapter.

"Equipment" has the same meaning as the term "equipment" in HSC section 113777.

"Expedited Plan Check Inspection" means plan check field inspection service that is provided within an accelerated time frame.

"Expedited Plan Review" means plan review service that is provided at an accelerated time frame.

"Food" has the same meaning as the term "food" in HSC section 113781.

"Food facility" has the same meaning as the term "food facility" in HSC section 113789, and also includes a "catering operation" or "catering facility" and a "catering host facility" as defined in Chapter 3 of this Title.

"Food handler" means a person who prepares, handles, packages, serves or stores food or handles utensils, or assists another person in any of those tasks at a food facility that requires a permit pursuant to this chapter.

**Meeting Date: 04/27/2022 (8)**

"HSC" means the California Health and Safety Code.

"Imminent health hazard" has the same meaning as the term "imminent health hazard" in HSC section 113810.

"Limited beverage service" means for the purpose of section 65.107(a), a temporary food facility operation that only serves non-potentially hazardous beverages requiring no preparation other than dispensing from the approved container or draft, directly into the consumer's beverage container. Limited beverage service does not include any operation that requires the mixing of ingredients, addition of ice or garnishes to a beverage, or the addition of any potentially hazardous ingredients.

"MEHKO" means "Microenterprise Home Kitchen Operation" as defined in HSC section 113825.

"Low-Risk Food Facility" means for purposes of section 65.107(a):

(a) A retail food facility that is operating as defined in HSC section 113818.

(b) A facility that only serves frozen milk products.

(c) A facility that holds an Alcoholic Beverage Control license type 42 or 48 facility, as long as the facility does not engage in slicing, chopping or grinding of raw potentially hazardous foods, reheating for hot holding, washing of foods, or cooking, baking, barbecuing, broiling, frying or grilling any food.

"Minor remodel" means the installation of new equipment to an existing facility, or the construction, building, repair, or alteration of existing areas of the facility that does not exceed 300 square feet and includes, but is not limited to, structural, plumbing, mechanical, or electrical work.

"Miscellaneous Food Facility" means a facility with 25 square feet or more of food display and storage area (including Candy Stores, Concession Stands, Host Facilities, and Prepackaged Non-Potentially Hazardous Foods), and Catering Equipment Rentals and Retail Food Delivery (delivery of food made at a retail food facility to another location by a person other than an employee of the retail food facility where the food was prepared).

"Multiple Kitchen Complex Operation" means any establishment used as a place of business for the purpose of leasing, renting, or otherwise providing individual commercial kitchen space to independent retail food facility operations, where that space is not used or shared by another operator. Common shared infrastructure such as restroom facilities, janitorial facilities, dry food storage, and refrigerated and/or frozen food storage is provided for each individual tenant to use.

"Prepare" means to package, process, assemble, portion or engage in any operation that changes the form, flavor or consistency of food, but does not include trimming produce.

"Ready-to-eat food" has the same meaning as the term "ready-to-eat food" in HSC section 113881.

"Revision" means any plan submittal required for corrections identified or minor changes to the initial submittal for any New, Major Remodel, or Minor Remodel project.

"Retail Food Processing" means for the purpose of section 65.107a, any food facility that has no on-site indoor or outdoor dining and processes and packages food for retail sales for delivery, pick-up, or take-out only, and does not have a prepackaged retail sales floor. Examples of this type of operation include but are not limited to the following:

(a) Facilities operating from shared permitted kitchens that produce pre-ordered individual retail sales (food/beverages) for delivery, pick-up, or take-out only.

**Meeting Date: 04/27/2022 (8)**

- (b) Facilities that process and package food for retail sales that may also have processed food registrations/licenses with the California Department of Public Health, California Department of Food and Agriculture, or the United States Department of Food and Agriculture.
- (c) Facilities offering prepared food to-go that may require additional preparation or cooking.
- (d) Sushi makers inside grocery stores.
- (e) Tortilleria/Popsicle manufacturers.
- (f) Commissary/Prep kitchens for delivery to the other locations (owned by same business).

"School Auxiliary Facility" means an educational facility that is serviced by a School Food Processing Facility, or other permitted food facility, and conducts processes that include but are not limited to dispensing, reheating, and storage of potentially hazardous foods. Auxiliary Facilities may open prepackaged food as necessary to stock an onsite salad bar and rinse whole uncut produce. All other food preparation, including the slicing and processing of produce, must be conducted at a School Food Processing Facility.

"School Food Processing Facility" means an educational facility that conducts full processing including, but is not limited to, handling, preparing, assembling, cooking, cooling, and reheating of potentially hazardous foods; washing and slicing of produce. This site may be a stand-alone site, or a centralized location that services multiple auxiliary kitchens.

"Tableware" has the same meaning as the term "tableware" in HSC section 113926.

"Utensil" has the same meaning as the term "utensil" in HSC section 113934.

Section 3. Section 61.104 of the San Diego County Code is hereby amended to read as follows:

**SEC. 61.104. PERMIT REQUIRED FROM DEPARTMENT.**

(a) A person who is required to obtain a food facility permit pursuant to the CRFC shall submit an application for the permit to the Department on a form provided by the Department and pay all applicable permit fees. The permit shall be available on site for review upon request and shall not be defaced or marred. Restaurant operators with a food facility permit may cater private events without an additional permit. All other catering requires a catering permit. The application for a permit shall be accompanied by the annual permit fee, if any, required in Title 6, Division 5, Chapter 1. (See County Code section 65.107(a).) Where a plan check or plan consultation is required, the time-based fee specified in Title 6, Division 5, Chapter 1 must be paid before a permit or other approval to operate is issued. (See County Code section 65.107(m).)

(b) A person organizing a community event or swap meet at which any food vendor claims exclusion from "food facility" status pursuant to Health and Safety Code 113789(c)(4) (i.e., based on operation of the event for the benefit of a nonprofit, and the absence of any monetary benefit to the for-profit food vendor other than that resulting from recognition from participating in the event) shall submit with the application for an organizer's permit for the event one of the following:

(i) A certification by an individual authorized to represent the organizer, sworn under penalty of perjury under the laws of the State of California, identifying each vendor claiming this exclusion, and stating that the signatory has confirmed after reasonable inquiry that the organizer has procedures in place to collect all revenues received by those vendors in excess of each vendor's direct costs of participating in the event, and has procedures in place to remit those excess revenues, less any contractual fee retained by the organizer, to the nonprofit beneficiary of the event.

**Meeting Date: 04/27/2022 (8)**

(ii) Certifications by individuals authorized to represent each vendor claiming this exclusion, sworn under penalty of perjury under the laws of the State of California, stating that the vendor had procedures in place to determine its event revenues in excess of its direct costs of participating in the event, and will remit those excess revenues if any either directly to the nonprofit beneficiary of the event, or to the organizer for distribution to nonprofit beneficiary.

(c) Pursuant to Health and Safety Code section 114390(b)(1), the Director may require any food vendor doing business at an event without a temporary food facility permit or a statement as set out in subsection (b) on file with the Department to provide documentation of receipts, expenses, and remittances to the nonprofit beneficiary of that event sufficient to show eligibility for exclusion for that event under Health and Safety Code section 113789(c)(4).

Section 4. Section 61.113 of the San Diego County Code is hereby amended to read as follows:

**SEC. 61.113. RENTING OR LEASING EQUIPMENT AND UTENSILS.**

(a) No person shall rent or lease equipment, tableware or utensils to a catering operation, or to the public without a miscellaneous food facility permit issued by the Department for that operation.

(b) No person shall rent or lease equipment, tableware or utensils to a catering operation, or to the public unless it complies with the following requirements:

(1) The equipment is stored in a building that complies with the requirements the CRFC requires a food facility to comply with for storing equipment in a building.

(2) The tableware and utensils have been cleaned and sanitized by the same methods the CRFC requires a food facility to follow.

Section 5. Section 61.116 of the San Diego County Code is hereby added to read as follows:

**SEC. 61.116. OPERATIONAL REQUIREMENTS APPLICABLE TO COTTAGE FOOD OPERATORS.**

(a) Cottage Food Operations (CFOs) whose potable water supply comes from a private well shall submit with their permit application sample results verifying the water supply meets at minimum a "Transient Non-Community Water System" standard, as defined in HSC Section 116275(o). Sample results shall include nitrate, nitrite, bicarbonate, carbonate and hydroxide alkalinity, calcium, iron, magnesium, manganese, pH, specific conductance, sodium, total hardness and bacteriological water quality.

(b) CFOs whose permits are initially approved, shall submit annually with the CFO permit renewal, updated nitrate, nitrite and bacteriological water sample results that show the water supply continues to meet "Transient Non-Community Water System" potable water standards. CFOs served by a public water system with groundwater sources shall submit documentation that water supply meets at minimum Transient Non-Community water quality standards.

Section 6. Section 61.217 of the San Diego County Code is hereby amended to read as follows:

**SEC. 61.217. POSTING OF PERMIT.**

A wholesale food warehouse shall post its health permit in a conspicuous place in the establishment and shall not be defaced or marred.

**Meeting Date: 04/27/2022 (8)**

Section 7. Section 61.303 of the San Diego County Code is hereby amended to read as follows:

**SEC. 61.303. CATERING PERMIT AND HOST FACILITY PERMIT REQUIREMENTS.**

(a) All catering permits issued by the Department prior to the effective date of this ordinance, and all catering permits not designated by the Department as direct sales catering permits, are private event catering permits. No person shall engage in private event catering without a valid restaurant permit, private event catering permit, or direct sales catering permit. No person shall engage in direct-sales catering without a direct-sales catering permit. No person shall allow direct-sales catering at their facility without a valid catering host facility permit. Applications for private event catering permits, direct-sales catering permits and host facility permits must be made on a form or forms provided by the Department, and the applicable permit fees (if any) set out in section 65.107 of this code must be paid. The permit shall not be defaced or marred.

(b) The permit application for any catering permit shall require a written description of catering activities the applicant will undertake and the equipment and standard operating procedures the operator proposes to use. A restaurant engaged in private event catering must provide the same information to the Department upon request. At a minimum, the applicant or restaurant must propose equipment and operating procedures that meet the requirements set out in this Chapter for the type of catering to be conducted.

(c) The Director may deny a catering facility permit to any applicant if the catering equipment or the standard operating procedures for food preparation and service at the kinds of catered functions described by the applicant in the permit application do not comply with this Chapter or are insufficient to ensure food safety.

(d) Catering may not be conducted under a temporary food facility permit. The sale or distribution of food under a temporary food facility permit (aka "temporary event permit" or "annual temporary event permit") is limited to community events and swap meets. (A temporary food facility is subject to different standards than a caterer, as set out in the CRFC.)

(e) A private event catering permit or restaurant permit may only be used to prepare and serve food at private events, including social functions and sponsored commercial functions that qualify as private events.

(f) A direct-sales catering permit may be used to prepare and serve food at private events (including qualifying social functions and sponsored commercial functions), and to prepare, serve, and sell food at permitted catering host facilities.

(g) A catering host facility permit does not allow direct sales catering at the host facility by private event caterers or by restaurants that do not have a direct-sales catering permit, except at a private event.

(h) Catering permits and catering host facility permits may be modified, suspended, or revoked as provided in the CRFC for all food facility permits.

Section 8. Section 65.107 of the San Diego County Code is hereby amended to read as follows:
