ORDINANCE NO. 10908(NEW SERIES)

ORDINANCE AMENDING THE SAN DIEGO COUNTY CODE OF REGULATORY  
ORDINANCES TO ADJUST DEPARTMENT OF ENVIRONMENTAL HEALTH AND  
QUALITY REGULATORY PROGRAM FEES AND ASSOCIATED ORDINANCE  
REVISIONS

The Board of Supervisors of the County of San Diego ordains as follows:

Section 1. Purpose.

This ordinance adjusts fees payable to the Department of Environmental Health and Quality (DEHQ) during Fiscal Year 2023-24 (and continuing until amended) as directed by the Board of Supervisors on April 19, 2023 in order to continue to meet program objectives, provide a level of service expected by stakeholders and customers, and fully recover costs except in two cases: (1) where alternative funding has been used to offset increases to permit fees; and (2) where the Board of Supervisors (Board) has previously directed the waiver or discounting of fees. Where fees are set below DEHQ expected costs, supplemental non-fee revenues are expected to be available to make up those deficits. Annual adjustment to fees are planned, to implement the Department's commitment to the Board to make recovering costs a regular part of business, while providing stakeholders an opportunity to plan for fee adjustments.

Section 2. Section 61.102 of the San Diego County Code is hereby amended to read as follows:

**SEC. 61.102. DEFINITIONS.**

The following definitions shall apply to this chapter and to Chapter 3 of this Title:

"CFO" means "Cottage Food Operation" as defined in HSC section 113758.

Section 3. Section 61.114 of the San Diego County Code is hereby amended to read as follows:

**SEC. 61.114. FOOD HANDLER REQUIREMENTS.**

Meeting Date: 05/22/2024 (05)

(a) Except as provided in subsection (f) of this section no person shall employ a person as a food handler in a food facility unless the food handler: (1) has been issued a current food handler training certificate as provided in subsection (b) or (c) of this section, or (2) is supervised by a food safety certified owner or employee pursuant to the CRFC and has passed a food handler test, as described in subsection (d) below. A person may employ a food handler, however, who for the first thirty days of employment has not passed the food handler test.

(b) A person the Director authorizes may issue a food handler training certificate to a person who successfully completes a three hour food sanitation training course and scores a grade of 80% or higher on a proficiency test, provided the Director approves the instructor, the course and the test. The person seeking authorization from the Department to issue certificates shall pay the fee specified in section 65.107 of this code. To be approved, the course of instruction shall include all of the following subjects:

- (1) Major causes of foodborne illness.
- (2) Time and temperature control of potentially hazardous foods.
- (3) Proper employee health and hygiene practices.
- (4) Methods to protect food from contamination.
- (5) Required consumer advisories.
- (6) Approved food sources.
- (7) Washing and sanitizing of utensils and equipment.
- (8) Pest control.

(c) A food handler training certificate shall be valid for three years from the date it is issued. A person issued a food handler training certificate continuing employment at the food facility shall obtain a new certificate every three years. The Director or a person the Director authorizes may renew a food handler training certificate for additional three year periods if the food handler is trained and able to obtain a score of 80% or higher on the proficiency test at renewal time. The Director may also require a person with a food handler training certificate to retake the training certificate course or retake and pass the proficiency test after less than three years from the date the certificate is issued.

(d) A food safety certified owner or employee, after covering fundamental principles of food safety practices, may administer a food handler test that the Director prepares. A grade of 80% or higher is a passing grade. The food handler's passing test score shall be valid for three years from the test date or until the food handler ceases working as a food handler at the facility. A food handler continuing employment at the facility shall obtain a passing grade on the food handler test every three years. The Director may require a food handler to retake the test after less than three years.

(e) Until December 31, 2014, the Director may renew a food handler training certificate issued pursuant to subsections (b) or (c) of this section for an additional three year period without further instruction if the food handler is able to obtain a score of 80% or higher on a proficiency test proctored by the Department. A renewal certificate obtained based on a Department-proctored proficiency test may be used at any food facility. The

Meeting Date: 05/22/2024 (05)

Director may require a food handler to retake the test after less than three years. If the food handler is unable to achieve a score of 80% on the test, the food handler shall repeat a food handler training certificate course under subsection (b) of this section and pass the proficiency test in order to obtain a renewal certificate.

(f) Notwithstanding the requirements of this section, the Director may allow the owner or operator of a temporary food facility to employ a food handler who does not have a current food handler certificate or who has not passed the food handler test within the last three years if: (1) the temporary food facility complies with H & S Code section 113947.1(c) and (2) the food handler is able to demonstrate adequate knowledge of food safety principles related to the operation of the temporary food facility. If a temporary food facility operator has passed the approved and accredited food safety certification examination specified in H & S code sections 113947.2 and 113947.3 the temporary food facility may apply for an annual temporary food facility permit rather than having to obtain a temporary event permit for each temporary event the facility participates in.

(Added by Ord. No. 10036 (N.S.), effective 2-26-10; amended by Ord. No. 10218 (N.S.), effective 8-24-12; amended by Ord. No. 10350 (N.S.), effective 9-5-14; amended by Ord. No. 10709 (N.S.), effective 1-15-21)

Section 5. Section 67.441 of the San Diego County Code is hereby amended to read as follows:

**SEC. 67.441. PERMITS.**

A. Applications: Applications for permits shall be made to the Director and shall include the following:

1. A plot plan showing the location of the well and related piping with respect to the following items within a radius of 200 feet from the well:

(a) Property lines

(b) Waste disposal systems or works carrying or containing sewage, industrial wastes, or solid wastes.

(c) All intermittent or perennial, natural or artificial bodies of water or watercourses.

(d) The approximate drainage pattern of the property.

(e) Other wells.

(f) Structures, surface or subsurface.

(g) Public and private roads.

(h) Easements, including boundaries and a summary of allowed uses.

2. Location of the property, and the Assessor's parcel number.

3. The name of the person who will construct the well.

4. The proposed minimum and the proposed maximum depth of the well.

5. The proposed minimum depths and types of casings and minimum depths of perforations to be used.

6. The proposed use of the well.

Meeting Date: 05/22/2024 (05)

7. Other information as may be necessary to determine if the underground waters will be adequately protected.

8. The name of the property owner.

9. The name of the responsible party who has contracted or otherwise caused to have, a monitoring well constructed, repaired, reconstructed or destroyed.

10. Evidence of compliance with [Chapter 8 of Division 7 of Title 6](#) of this Code (watershed protection).

B. Fees: Each application shall be accompanied by a fee as set forth in Title 6, Division 5, Section [65.107](#), par. (h), of this Code.

C. Conditions: Permits shall be issued in compliance with the standards set out in California Well Standards, Combined, as defined in this Chapter and as further provided in this Chapter except that such standards shall be inapplicable or modified as expressly provided by the Director in such permit upon his finding that such modifications or inapplicability will accomplish the purposes of this ordinance. Permits may also include any other condition or requirement found by the Director to be necessary to accomplish the purposes of this Chapter.

D. Grounds for Refusal of Permit. The Director may refuse to issue a permit for any of the following reasons:

1. The applicant is not a person authorized to perform the work as provided in this Chapter.

2. The permit application is not in proper form.

3. The proposed well would create a water pollution problem or would aggravate a pre-existing water pollution problem or would violate any of the standards established in Article 3 of this Chapter.

4. The applicant is delinquent with submitting well drilling logs to the Director.

5. The proposed location of the well or related piping would place the well or piping at risk from uses allowed within an overlapping or nearby easement, or would interfere with the allowable uses of that easement.

E. Term, completion of work: The permittee shall complete the work authorized by the permit within the time and before the date set out in the permit. The permittee shall notify the Director in writing upon completion of the work and submit a copy of the well drilling log and no work shall be deemed to have been completed until such written notification and a copy of the well drilling log have been received. A final inspection of the work shall be made by the Director unless such inspection is waived by him, and no permittee shall be deemed to have complied with this Chapter or his permit until such inspection has been performed or waived.

Meeting Date: 05/22/2024 (05)

F. Review and Appeal: Any person aggrieved by the refusal of a permit or the terms of a permit required by this Chapter may appeal as provided in [Chapter 1 of Division 6 of Title 1](#) of this Code.

(Amended by Ord. No. 6378 (N.S.), effective 7-29-82; amended by Ord. No. 7428 (N.S.), effective 2-4-88; amended by Ord. No. 8477 (N.S.), adopted 11-8-94, operative 1-1-95; amended by Ord.
