ORDINANCE 2026-52**

**AN ORDINANCE AMENDING §153.081(C) (3) OF THE CITY OF
TROY CODE OF ORDINANCES REGARDING
FIRE HYDRANT STANDARDS**

**ADOPTED BY THE CITY COUNCIL OF THE CITY OF TROY, ILLINOIS
THIS 17TH DAY OF AUGUST 2026**

ORDINANCE NO. 2026-52

AN ORDINANCE AMENDING §153.081(C)(3) OF THE CITY OF TROY CODE OF ORDINANCES REGARDING FIRE HYDRANT STANDARDS

WHEREAS, the City of Troy has adopted standards for public water system improvements to ensure the reliability, maintenance, and operation of its water distribution system; and

WHEREAS, the City has determined that standardizing fire hydrants to a single manufacturer will improve maintenance efficiency, reduce inventory requirements for replacement parts, enhance operational consistency, and provide long-term cost savings; and

WHEREAS, the City of Troy Water Department recommends utilizing only the Clow Medallion fire hydrant for all newly constructed subdivisions and public water main extensions requiring fire hydrants.

WHEREAS, the Planning Commission conducted a duly noticed public hearing on August 13, 2026, in accordance with the City Code; and

WHEREAS, following the public hearing, the Planning Commission adopted Recommendation No. REC2026-25PC, recommending approval of the proposed amendment; and

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF TROY, ILLINOIS, AS FOLLOWS:

1. Section 153.081(C)(3) of the City of Troy Code of Ordinances is hereby amended to read as follows: 153.081 SPECIFIC STANDARDS FOR WATER SERVICES. (C)(3) Without substitution, hydrants shall be Clow Medallion Model F-2545 with a 5.25-inch barrel, four-foot bury, two 2.5-inch discharges, one 4.5-inch steamer connection, and National Standard threads.
2. All subdivision improvement plans, engineering plans, public water main extensions, and other developments submitted after the effective date of this Ordinance shall comply with the requirements established herein.
3. All ordinances or parts of ordinances in conflict herewith are hereby repealed only to the extent of such conflict.
4. If any provision of this Ordinance is declared invalid by a court of competent jurisdiction, such decision shall not affect the remaining portions of this Ordinance.
5. This Ordinance shall be in full force and effect after its passage, approval, and publication as provided by law.

PASSED by the City Council of the City of Troy, Madison County, Illinois, approved by the Mayor, and deposited in the office of the City Clerk this 17th day of August, 2026.

RECOMMENDATION NO. 2026-25PC**RECOMMENDATION OF THE PLANNING COMMISSION AMENDING
§153.081(C) (3) OF THE CITY OF TROY CODE OF ORDINANCES REGARDING FIRE
HYDRANT STANDARDS**

WHEREAS, the City of Troy has adopted standards for public water system improvements to ensure the reliability, safety, and long-term maintenance of its water distribution system; and

WHEREAS, Section 153.081(C)(3) of the City Code currently permits either the Mueller Centurion Model A-423 or the Clow Medallion Model F-2545 fire hydrant for installation within new subdivisions and public water system improvements; and

WHEREAS, the Troy Water Department has recommended the standardization of fire hydrants to a single manufacturer to improve operational efficiency, reduce replacement part inventories, simplify maintenance and repairs, and ensure consistency throughout the City's water distribution system; and

WHEREAS, the proposed amendment would remove the Mueller Centurion Model A-423 as an approved hydrant and require the Clow Medallion Model F-2545 with a 5.25-inch barrel, four-foot bury, two 2.5-inch hose nozzles, one 4.5-inch steamer connection, and National Standard threads for all future subdivision developments, public water main extensions, and other public infrastructure projects; and

WHEREAS, the Planning Commission conducted a public hearing on August 13, 2026, and reviewed the proposed amendment and supporting information; and

WHEREAS, the Planning Commission finds that standardizing fire hydrants will promote uniformity throughout the City's water system, improve maintenance efficiency, reduce long-term operational costs, and serve the best interests of the public health, safety, and welfare of the City of Troy and recorded below:

Bogue	<u>Y</u>	Lybarger	<u>Y</u>	Patton	<u>Y</u>	Yeas	<u>6</u>
Compton	<u>ABSTAIN</u>	McBride	<u>Y</u>	Reiter	<u>Y</u>	Nays	<u>0</u>
Curtis	<u>Y</u>	Niermann	<u>ABSENT</u>	Vacant		Abstains	<u>1</u>

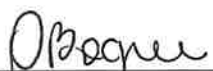

NOW, THEREFORE, BE IT RESOLVED BY THE PLANNING COMMISSION OF THE CITY OF TROY, ILLINOIS, AS FOLLOWS: An Ordinance amending §153.081(C)(3) of the City Code to require the Clow Medallion Model F-2545 as the sole approved fire hydrant for all new subdivisions, public water main extensions, and other applicable public water infrastructure improvements.
