The STATE and LPA jointly proposes to improve the designated location as described in the Location and Project Description sections of this agreement. The improvement shall be constructed in accordance with plans prepared by, or on behalf of the LPA and approved by the STATE using the STATE's policies and procedures approved and/or required by the Federal Highway Administration, hereby referred to as "FHWA".

I. GENERAL

- 1.1 Availability of Appropriation; Sufficiency of Funds. This Agreement is contingent upon and subject to the availability of sufficient funds. The STATE may terminate or suspend this Agreement, in whole or in part, without penalty or further payment being required, if (i) sufficient funds for this Agreement have not been appropriated or otherwise made available to the LPA by the STATE or the federal funding source, (ii) the Governor or STATE reserves funds, or (iii) the Governor or STATE determines that funds will not or may not be available for payment. The STATE shall provide notice, in writing, to LPA of any such funding failure and its election to terminate or suspend this Agreement as soon as practicable. Any suspension or termination pursuant to this Section will be effective upon the date of the written notice unless otherwise indicated.
- 1.2 Domestic Steel Requirement. Construction of the project will utilize domestic steel as required by Section 106.01 of the current edition of the Standard Specifications for Road and Bridge Construction and federal Build America-Buy America provisions.

- 1.4 Severability. If any provision of this Agreement is declared invalid, its other provisions shall not be affected thereby.
- 1.5 Termination. This Agreement may be terminated, in whole or in part, by either Party for any or no reason upon thirty (30) calendar days' prior written notice to the other Party. If terminated by the STATE, the STATE must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If the STATE determines in the case of a partial termination that the reduced or modified portion of the funding award will not accomplish the purposes for which the funding award was made, the STATE may terminate the Agreement in its entirety.

This Agreement may be terminated, in whole or in part, by the STATE without advance notice:

- a. Pursuant to a funding failure as provided under Article 1.1.
- b. If LPA fails to comply with the terms and conditions of this funding award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any award.

- 3.2 **STATE Audits:** The STATE may, at its sole discretion and at its own expense, perform a final audit of the Project (30 ILCS 5, the Illinois State Auditing Act). Such audit may be used for settlement of the Project expenses and for Project closeout purposes. The LPA in compliance with 2 CFR 200.337 shall make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized STATE representatives, the Illinois Auditor General, Illinois Attorney General, any Executive Inspector General, the STATE's Inspector General, federal authorities, any person identified in 2 CFR 200.337, and any other person as may be authorized by the STATE (including auditors), by the state of Illinois or by federal statute. The LPA shall cooperate fully in any such audit or inquiry.
- 3.5 **Failure to maintain the books and records.** Failure to maintain the books, records and supporting documents required by this section shall establish presumption in favor of the STATE for recovery of any funds paid by the STATE under the terms of this contract.

IV. LPA FISCAL RESPONSIBILITIES

- 4.1 To provide all initial funding and payment for construction engineering, utility, and railroad work
- 4.2 **LPA Appropriation Requirement.** By execution of this Agreement the LPA attests that sufficient moneys have been appropriated or reserved by resolution or ordinance to fund the LPA share of project costs. A copy of the authorizing resolution or ordinance is attached as Schedule 5.
- 4.3 **Reimbursement Requests:** For reimbursement requests the LPA will submit supporting documentation with each invoice. Supporting documentation is defined as verification of payment, certified time sheets or summaries, vendor invoices, vendor receipts, cost plus fix fee invoice, progress report, personnel and direct cost summaries, and other documentation supporting the requested reimbursement amount (Form BLR 05621 should be used for consultant invoicing purposes). LPA invoice requests to the STATE will be submitted with sequential invoice numbers by project.

To keep projects active, invoicing must occur a minimum of one time within any given twelve (12) month period. However, to ensure adequate processing time, the first invoice shall be submitted to the STATE within six (6) months of the federal authorization date. Subsequent invoices will be submitted in intervals not to exceed six (6) months.
- 4.5 **Final Invoice:** The LPA will submit to the STATE a complete and detailed final invoice with applicable supporting documentation of all incurred costs, less previous payments, no later than twelve (12) months from the date of completion of work or from the date of the previous invoice, whichever occurs first. - 4.6 **Project Closeout:** The **LPA** shall provide the final report to the appropriate **STATE** district office within twelve (12) months of the physical completion date of the project so that the report may be audited and approved for payment. If the deadline cannot be met, a written explanation must be provided to the district prior to the end of the twelve (12) months documenting the reason and the new anticipated date of completion. If the extended deadline is not met, this process must be repeated until the project is closed. Failure to follow this process may result in the immediate close-out of the project and loss of further funding.
- 4.7 **Project End Date:** The period of performance (end date) for state and federal obligation purposes is five (5) years for projects under \$1,000,000 or seven (7) years for projects over \$1,000,000 from the execution date of the agreement. Requests for time extensions and joint agreement amendments must be received and approved prior to expiration of the project end date.
