RESOLUTION

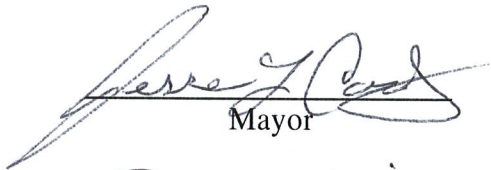

WHEREAS, the Federal Aviation Administration (FAA) is currently reviewing a Proposal to extend the airport that is located within the City of Pleasant Valley and adjacent to the Town of White Hall and which flight path Includes the Town of White Hall;

WHEREAS, The FAA is to determine if Federal funds should be expended to extend the runway of the airport and to displace and relocate houses that are located within the City of Pleasant Valley, nearby White Hall;

WHEREAS, The current proposal calls for the displacement and relocation of approximately 50 homes, including most of the homes located in the housing development named Pine Lake Estates, and the residents residing there, who patronize the business's of White Hall;

WHEREAS, The proposal will have a detrimental impact on the City of Pleasant Valley and the surrounding area, including the Town of White Hall, and may adversely effect future economic development within the area;

BE IT RESOLVED, that the Town Council of the Town of White Hall opposes the extension of the airport and the displacement and relocation of the residents, because it will have a detrimental impact on the City of Pleasant Valley and the Town of White Hall with no gain and no economic benefit to the area, therefore, the Town requests that the FAA not approve the plans or grant the funds to extend the runway.
