

#07-002

**RESOLUTION
TOWN OF WHITE HALL
ADDRESSING OF NEW CONSTRUCTION
AND/ OR CHANGE OF ADDRESS**

PURPOSE: To have a smooth transition to obtain an address in the Town of White Hall.

The Town of White Hall will be the first step in getting an Address when constructing a New Business or Resident. No address in The Town of White Hall will be accepted with a Rural Route Number. House Numbers will be assigned to All residents when needed.

A representative appointed by the Town Council will review the Notification For Address Form and process the form with-in two weeks.

Any request for an address must have a plot, map or drawing of the location.

The property owner will be notified of their address and notification will be sent to the Advisory Committee For The Conversion Of Rural Routes to City Type Addresses, United States Postal Service, Office of Emergency Services (911), Valley Fire Department and Boothsville Fire Department.

Charlie Mason, Council Member-----363-3625
Appointed Member of the Marion County City-Type Address Committee.
