

RESOLUTION 26-001

TOWN OF WHITE HALL

**A RESOLUTION OF THE COUNCIL OF THE TOWN OF WHITEHALL TO
SUPPORT LOCAL NON-PROFITS USING TRAINING ROOM AND
PAVILLION FREE OF CHARGE WHEN AVAILABLE**

WHEREAS, the Town of White Hall Council recognizes the need for meeting spaces for local nonprofits with limited funds and wish to offer the use of the workshop room and pavilion free of charge.

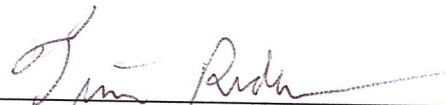

WHEREAS, the Town of White Hall Council supports local nonprofits using the Towns workshop room or pavilion only when it is available and has not been scheduled for an event/public meeting- which takes precedence over the nonprofit meetings. The workshop room will only be available to non-profits during a weekday, and normal business hours.

WHEREAS, the Town of White Hall recognizes that all nonprofits using the workshop room or pavilion must keep the area neat, orderly and clean up after the meeting is completed. The Town council reserves the right to refuse usage of the space if these conditions are not met.

WHEREAS, the Town of White Hall council, employees, and associates will follow the procedures of verifying the space is available in advance with the Towns Public Relations Coordinator prior to scheduling a meeting.

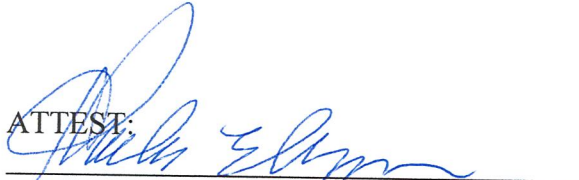

NOW, THEREFORE, BE IT RESOLVED, that the Town of White Hall Council will support local nonprofit organizations using the workshop room or pavilion free of charge if all conditions are met and favorable for the meeting to be held in either space.

Passed this the 12th day of January 2026.
