A8.526-3 SUPPLEMENTAL COST OF LIVING BENEFIT ON AND AFTER JANUARY 10, 2009

(a) Notwithstanding the provisions of Section A8.526-1 or any other provision of this Charter to the contrary, effective January 10, 2009, all supplemental cost of living benefits adjustments payable, including retirement allowances subject to change when the salary rate of a member is changed, shall be determined pursuant to the provisions of this Section A8.526-3 and not Section A8.526-1.

(b)(1) On July 1, 2009 and July 1 of each succeeding year, the retirement board shall determine whether, in the previous fiscal year, there were earnings in excess of the expected earnings on the actuarial value of the assets. In those years when the previous year's earnings exceeded the expected earnings on the actuarial value of the assets, then on July 1 each retirement allowance or death allowance payable on account of a member who died, including retirement allowances subject to change when the salary rate of a member is changed, shall be increased by an amount equal to three and one-half percent (3.5%) of the allowance as of June 30, less the amount of any cost of living adjustment provided pursuant to Section A8.526-2 and less the amount of any cost of living adjustment, payable in that fiscal year, which is the result of a change in the salary of the member.

(b)(2) If on July 1, 2009 and July 1 of each succeeding year, the previous fiscal year's earnings exceeded the expected earnings on the actuarial value of the assets, but they were insufficient to increase said allowances by three and one-half percent (3.5%) as provided in Subsection (b)(1), then to the extent of excess earning, said allowances shall be increased in increments of one-half percent (0.5%) up to the maximum three and one-half percent (3.5%) of the allowance as of June 30, less the amount of any cost of living adjustment provided pursuant to Section A8.526-2 and less the amount of any cost of living adjustment, payable in that fiscal year, which is the result of a change in the salary of the member.

(c) When the previous fiscal year's earnings exceeded the expected earnings on the actuarial value of the assets but were not

sufficient to fund any supplemental cost of living benefit adjustment pursuant to either Subsection (b)(1) or (b)(2), the Retirement Board shall reserve the excess earnings for that year. Said reserved earnings shall accumulate only until such time that said reserved earnings, plus the next year's earnings in excess of the expected earnings on the actuarial value of the assets, are sufficient to fund one fiscal year's increase in the supplemental cost of living benefit adjustment, at which time the earnings in reserve shall be withdrawn and used to fund a supplemental cost of living benefit adjustment as provided in either Subsection (b)(1) or (b)(2).

(d) *To clarify the intent of the voters when originally enacting this Section in 2008; b* Beginning on July 1, 2012 and July 1 of each succeeding year, no supplemental cost of living benefit adjustment shall be payable unless the Retirement System was also fully funded based on the market value of the assets for the previous year. Except as qualified in subsection (g), this subsection (d) shall apply only to employees and retirees hired on or after January 7, 2012.

(e) Any supplemental cost of living benefit adjustment, once paid to a member, shall not be reduced thereafter.

(f) Any Section or part of any Section in this Charter, insofar as it should conflict with the provisions of Section A8.526-3 or with any part thereof shall be superseded by the contents of Section A8.526-3. Section A8.526-3 shall be interpreted to be consistent with all federal and state laws, rules, and regulations. If any words, phrases, clauses, sentences, subsections, provisions or portions of Section A8.526-3 are held to be invalid or unconstitutional by a final judgment of a court, such decision shall not affect the validity of the remaining words, phrases, clauses, sentences, subsections, provisions or portions of Section A8.526-3. If any words, phrases, clauses, sentences, subsections, provisions or portions of Section A8.526-3 are held invalid as applied to any person, circumstance, employee or category of employee, such invalidity shall not affect any application of Section A8.526-3 which can be given effect. Section A8.526-3 shall be broadly construed to achieve its stated purposes.

(g) Effective January 1, 2023, subsection (d) shall not apply to any members who retired before November 6, 1996, or their qualified survivors and beneficiaries. But in any year that the Retirement System is not fully funded based on the market value of the assets for the previous year, the supplemental cost of living adjustment for these retirees, their qualified survivors, and beneficiaries shall be limited to \$200 per month if their monthly gross pension allowance exceeds \$4,167.

The Retirement System shall adjust the base retirement allowance of members who retired before November 6, 1996, or their qualified survivors and beneficiaries, to account for supplemental cost of living adjustments not received in 2013, 2014, 2017, 2018 and 2019, due to the full funding requirement in subsection (d). This aggregate base allowance adjustment shall not exceed \$200 per month for those receiving a monthly gross pension allowance over \$4,167. This subsection (g) does not entitle these retirees, their qualified survivors, or beneficiaries to any retroactive supplemental cost of living adjustment payments.
