

Resolution 2002- 02

Be it Resolved, that on this Day the Yoe Borough Council Of Yoe Borough has set the following criteria and requirements to be used for backfill and pavement restoration of street cuts as outlined and performed under Yoe Borough Ordinance Sec. 21 part 2 Ord. 93-002, 8/3/1993.

1. The Borough Maintenance Dept. shall be notified 48 hours in advance as to when the restoration of the street cut shall commence.
2. Full depth backfill with 2 RC stone.
3. 2 inches of ID-2 bituminous binder course.
4. 1 inch of bituminous wearing course.
5. All joints are to be sealed with AC-20.
6. The above specifications are to be used unless a greater amount is required and determined to meet the existing road condition as determined by the borough's engineer.

Be it Resolved on this the 6th day of August 2002.
