Hi Rick

Attached are the specifications for the 2025 Ford F250 4x4 with bed delete.

Build timing for the chassis is approximately 18 weeks from receipt of purchase order. Body install will depend on when the body reaches body company. Due to the long lead times with body manufacturers, the chassis will be billed once it arrives at body company. Balance will be due upon receipt of completed build.

I will call to follow up but please call with any questions, (216)524-2400.
