Using a chain or tether that exceeds ten percent of the animal's body weight shall be deemed not appropriate and potentially harmful.

(b) *Exceptions.* Nothing in this section shall be deemed to prohibit the humane transportation of horses, cattle, sheep, poultry or other livestock in trailers or other vehicles designed, constructed, and adequate for the size and number of animals being transported. Nothing in this section shall be construed to prohibit the animal control unit or veterinarians from euthanizing dangerous, unwanted, injured or diseased animals in a humane manner; nor to prohibit slaughterhouses or medical facilities from the proper, humane and lawful carrying out of their activities or duties. Nothing in this section shall be construed to regulate the standards of care for farm animals, as defined in G.S. 160A-203.1.

(c) *Inspections.* Animal control officers shall have the authority to conduct inspections of pet shops, kennels, dealers, or breeders, to the extent not preempted by state law, in order to determine if there is any abuse of animals. Pet shops, kennels, dealers, and breeders are subject to the state laws concerning rabies control abuse of animals shall include any act described in this section or any other act which is detrimental to the well-being of the animal. It shall be unlawful for any owner or employee of any pet shop or kennel or any dealers or breeders to violate this section. (Code 1982, § 4-16; Ord. No. 01-022, § 1, 11-8-2001; Ord. No. 2012-Code-02, 4-19-2012; Ord. No. 2016-Code-01, 2-25-2016)

Sec. 6-68. Notification of injury to animal.

All persons who injure or kill a domestic animal by running over, into or otherwise coming into contact with such animal with an automobile, motorcycle, bicycle or other vehicle shall notify the owner of the animal immediately. If the owner is unknown or cannot be located, the person who injured or killed the animal shall immediately notify animal control or the police department by giving their name and address, a description of the animal and the location of the incident. (Code 1982, § 4-17; Ord. No. 01-022, § 1, 11-8-2001)

Sec. 6-69. Animal bite; notification.

(a) *Bites unlawful.* It shall be unlawful for an animal to bite a human being who does not ordinarily reside on the premises of the animal unless the animal has been subject to provocation, or unless the victim has been trespassing.

(b) *Reporting bite.* It shall be unlawful for a person to fail to report to animal control as soon as possible that an animal has bitten a person. It shall be unlawful for any person to fail to inform the animal control unit the location to which an animal that has bitten a human being has been taken if the owner has given the animal away, or caused in any way the animal to be taken from the owner's premises.

(c) *Confinement.* Any dog or cat that bites a person or that shows symptoms of rabies shall be confined immediately and quarantined, at the direction of the animal control unit, for a period of ten days, and shall not be released from such quarantine except by written permission from the animal control unit. Dogs and cats quarantined under this section shall be confined in a veterinary hospital, licensed boarding kennel or county animal shelter, at the expense of the owner, provided, however, that if an animal control officer determines that the owner of an animal which must be quarantined has adequate confinement facilities upon his own premises, the animal control officer may authorize the animal to be confined on such premises. In order to qualify for this "own premises" quarantine, the animal must be constantly confined in a secure enclosure and the animal must be currently

vaccinated against rabies. If the animal is confined on the owner's premises, the animal control officer shall visit the premises for inspection purposes at times determined by the officer, but no less than once in the middle of the confinement and once at the end of the confinement.

(d) *Failure to confine.* If the owner fails or refuses to confine the animal as required by this section, the chief may order the seizure of the animal and its confinement for ten days at the expense of the owner. If the animal is unclaimed after the ten-day confinement, the chief may dispose of the animal.

(e) *Release from quarantine.* If rabies does not develop within ten days after the commencement of quarantine under this section, the animal may be released from quarantine, with the written permission of animal control.

(f) *Strays.* In the case of stray dogs or cats whose ownership is not known, the dog or cat may be euthanized and the head examined for rabies or kept for the supervised quarantine period required by this section at the animal control shelter.

(Code 1982, § 4-18; Ord. No. 01-022, § 1, 11-8-2001; Ord. No. 2019-Code-02, 9-12-2019)

Sec. 6-70. Dangerous dogs.

(a) "Dangerous dog" means

- (1) a dog owned or harbored primarily or in part for the purpose of dogfighting;
- (2) a dog trained for dogfighting;
- (3) a dog that has killed a person;
- (4) a dog that has inflicted a severe injury on a person;
- (5) a dog that has killed a domestic animal or inflicted a severe injury on a domestic animal, when the dog was not on the owner's real property; or
- (6) a dog that has approached a person when not on the owner's property in a vicious or terrorizing manner in an apparent attitude of attack.

This definition of "dangerous dog" shall not apply to a dog being used by a law enforcement officer to carry out the law enforcement officer's official duties; a dog being used in a lawful hunt; a dog where the injury or damage inflicted by the dog was sustained by a domestic animal while the dog was working as a hunting dog, herding dog, or predator control dog on the property of, or under the control of, its owner or keeper, and the damage or injury was to a species or type of domestic animal appropriate to the work of the dog; or a dog where the injury inflicted by the dog was sustained by a person who, at the time of the injury, was committing a willful trespass or other tort, was tormenting, abusing, or assaulting the dog, had tormented, abused, or assaulted the dog, or was committing or attempting to commit a crime.

(b) *Determination of dangerous dog; appeal.* The chief shall determine whether a dog is a dangerous dog. If the chief determines that a dog is a dangerous dog, the chief shall notify the owner in writing, giving the reasons for the determination. The owner may appeal the determination by filing written objections with the Town Manager's office, with a copy to the chief, within five business days after receipt of the notification. The appeal shall be heard by a Board appointed by the Town Manager, Deputy Town Manager, or designee, consisting of two town employees who are not employees of the Police Department. The Board shall schedule a hearing within ten business days of the filing of the written objections. The Board shall render a decision within three business days of the hearing. The decision shall be delivered by personal delivery, electronic mail, or first class mail mailed to the person requesting the appeal, with a copy to the chief. Once the time for filing an appeal has expired, or after any appeal has been finally adjudicated in favor of the chief's determination, the dog shall be deemed a dangerous dog for purposes of this ordinance.

(c) *Confinement and restraint.* The owner of a dangerous dog shall comply with the following provisions:

- (1) When the dog is on the property of the owner, the dog shall be
 - a. confined indoors or outdoors in a securely enclosed and locked pen or in another structure designed to restrain the dog. An electronic enclosure is not sufficient to comply with this requirement; or

- b. under restraint by a competent person who by means of a leash, chain or rope has the dog firmly under control at all times. Voice command is not recognized as adequate restraint.

In addition, the owner must comply with any specific written instructions of the chief as well as Section 6-67 of this ordinance.

- (2) When the dog is off the property of the owner it must be muzzled and under restraint by a competent person who by means of a leash, chain or rope has the dog firmly under control at all times. Voice command is not recognized as adequate restraint.
- (3) The owner shall notify the animal control unit immediately if the dog escapes or is otherwise freed from the secure enclosure or other restraint.

(d) *Transfer of ownership.* The owner of a dangerous dog shall comply with the requirements of G.S. 67-4.2 concerning transfer of ownership.

(e) *Sanctions, fines, penalties, and remedies.* In addition to criminal penalties provided by state law and civil penalties set forth in section 6-132(b)(1), any person who violates this section shall be subject to the following sanctions and remedies:

- (1) If a dangerous dog is found at large it shall be seized and impounded. Animal control is authorized to go upon private property to seize the dangerous dog. If attempts to seize the dangerous dog are unsuccessful, animal control may tranquilize or humanely destroy the animal, without prior notice to the owner, upon authorization of the chief. The animal control officer shall thereafter make a good faith attempt to notify the owner of the incident.
- (2) If the dangerous dog has caused injury to a person or another animal while at large and not confined within a secure enclosure, the chief, in addition to seizing the dog, may issue to the owner a notice of intent to destroy the dog. The owner may appeal this intended action by filing a written request for appeal with the town manager as specified in section 6-139.
- (3) If an inspection of the premises where a dangerous dog is confined reveals that the owner has not complied with the requirements for confining a dangerous dog, animal control shall issue a \$100.00 civil penalty in accordance with section 6-132(b)(1) and may impound the dog at the animal shelter.
- (4) If the dangerous dog is not redeemed within five business days, or if the owner does not request an appeal within the time limit provided, the dog shall be deemed abandoned and shall be disposed of in accordance with this chapter.
- (5) Nothing in this article shall prevent a private citizen from bringing an action against the owner of a dog, which has caused injury to the private citizen or his property, for damages or any other loss resulting from the dog being dangerous or potentially dangerous as defined by state law.

(Code 1982, § 4-19; Ord. No. 01-022, § 1, 11-8-2001; Ord. No. 2016-Code-01, 2-25-2016)

State law reference—Civil penalties, G.S. 160A-175(c).

Sec. 6-71. Nuisance animals.

(a) *Prohibited generally; exceptions.* It shall be unlawful for any person to own, keep, possess, harbor or maintain an animal in such a manner as to unreasonably annoy humans, endanger the life or health of persons or other animals, or substantially interfere with the rights of citizens (other than their owners) to enjoyment of life or property, or otherwise constitute a public nuisance. By way of example and not of limitation, the following activities are hereby declared to be a public nuisance and are, therefore, unlawful:

- (1) Getting into or turning over waste or garbage containers.
- (2) Walking on or sleeping on automobiles of another.
- (3) Damaging the real or personal property of anyone other than its owner.
- (4) Repeatedly being or running at large.
- (5) Being maintained in an unsanitary condition so as to be noxious or offensive to sight or smell.
- (6) Not being confined to a building or secure enclosure while in estrus.
- (7) Being vicious or chasing, snapping at, attacking, or otherwise molesting others including, pedestrians, bicyclists, motor vehicle passengers, or domestic animals.
- (8) Allowing or permitting an animal or animals to make frequent or long continued sounds, including barking, whining, screeching, calling, howling or yowling in an excessive, continuous, habitual or untimely fashion, or to make other noise in such a manner and at such intervals so as to result in a serious annoyance or interference with the reasonable use and enjoyment of neighboring premises ("annoying sound"). Any such sound made by cats or dogs which is made for more than fifteen (15) minutes during any thirty (30) minute period shall be deemed to be an annoying sound. The normal clucking of chickens, kept in accordance with provisions of the Land Development Ordinance, shall not constitute an annoying sound. Any person owning, using or possessing premises affected by an annoying sound ("person annoyed by sounds") shall follow the procedures specified in subsection f. below.
- (9) Being housed or restrained less than five feet from a public street, road or sidewalk such that the animal, without provocation, molests, attacks or otherwise interferes with the freedom of movement of persons in a public right of way, or the location of the animal poses a threat to the general safety, health and welfare of the general public.
- (10) By virtue of number or type, being offensive or dangerous to the public health, safety, or welfare.
- (11) Being diseased or dangerous to the health of the public.
- (12) Being kept in such a manner as to attract excessive insects, pests, rodents, raccoons, snakes, or other wild animals.

(b) *Complaint and notice.* Except as to (a)(8) above, upon their own initiative or upon receipt of a detailed written and signed complaint being made to the animal control unit by any of the town residents that any person is maintaining a nuisance animal, the animal control unit may cause the owner of the animal or animals in question to be notified that a complaint has been received and may cause the situation complained of to be investigated and a report and findings thereon to be reduced to writing by the investigating animal control officer.

(c) *Abatement.* If the written findings of the investigating animal control officer indicate that the complaint is justified, then the chief or designee shall cause the owner or keeper of the animal or animals in question to be so notified in writing, served by personal delivery or by certified mail, return receipt requested, and ordered to abate such nuisance within a reasonable time not to exceed seven days after notification, and may issue a citation for the violation. The chief may specify the particular abatement measures that must be taken, which measures may include, but are not limited to, a requirement that the animal be penned, or that a secure enclosure be erected or improved. In the event the owner of the animal is unknown and cannot be ascertained, the notice and order, along with a general description of the animal, shall be published in a local newspaper.

(d) *Impoundment upon failure to abate.* If any person actually or constructively receiving notice in the manner herein described shall fail or refuse to abate the nuisance upon order of the chief within the specified time, the chief may cause the animal or animals in question to be seized and impounded in accordance with the provisions of section 6-134.

(e) *Redemption; destruction.* If the owner shall so request in writing within five days of the impoundment, an animal that has been impounded may be redeemed upon the owner's execution of a written agreement to comply with the abatement order and payment of all sums due hereunder. If no such written request is made, or if such a request is made, but a written agreement to comply with the abatement order is not delivered to the chief within five days of the impoundment, then the animal(s) shall be deemed abandoned and disposed of in accordance with the provisions of section 6-137.

(f) *Annoying sounds.* A person annoyed by sounds shall follow the procedures specified below.

(i) Upon receipt of a detailed written and signed complaint by a person annoyed by sounds, the animal control unit shall provide written notice to the owner or possessor of the premises on which the animal(s) making annoying sounds is maintained ("animal owner") that a complaint has been received about the animal's (animals') annoying sounds. The notice shall detail the complaint and may make suggestions on ways to correct the situation.

(ii) Upon receipt of such notice of complaint, the animal owner shall cure the violation. If the violation is not cured, or if a second complaint is made to the animal control unit about the same animal(s) within any six (6) month period, the animal control unit shall cause the animal owner to be served by an order to abate the annoying sounds within a reasonable period of time, not to exceed seven (7) days ("Abatement Order"). Such notice shall be served by personal delivery or by certified mail, return receipt requested.

(iii) If the original complainant, or any other affected person notifies the animal control unit that the animal owner has failed or refuses to abate the annoying sounds as provided in the

Abatement Order, the animal control unit shall investigate and may issue a civil citation for the violation in the amount of two hundred dollars (\$200.00). Such citation shall be collected in the manner set forth in section 6-132.

- (iv) If the annoying sounds continue after issuance of the citation, the complainant should pursue the action by going to the magistrate and filing a summons against the animal owner. Nothing in this section shall prevent a private citizen from bringing an action at any time against an animal owner.

(Code 1982, § 4-21; Ord. No. 01-022, § 1, 11-8-2001; Ord. No. 06-020, 12-14-2006; Ord. No. 2012-Code-04, 8-23-2012)

Sec. 6-71a. Nuisance bees.

(a) *Prohibited generally; exceptions.* It shall be unlawful for any person to own, keep, possess, harbor or maintain bees or beehives in such a manner as to unreasonably annoy humans, endanger the life or health of persons or animals, or substantially interfere with the rights of citizens (other than their owners) to enjoyment of life or property, or otherwise constitute a public nuisance. By way of example and not of limitation, the following activities are hereby declared to be a public nuisance and are, therefore, unlawful:

- (1) Multiple bees stinging, attacking, or otherwise molesting others including, pedestrians, bicyclists, motor vehicle passengers, or domestic animals;
- (2) Hive placement and related bee movement such that the bees, without provocation, interfere with the freedom of movement of persons in a public right of way, or the location of the bees poses a threat to the general safety, health and welfare of the general public; or
- (3) The keeping of overcrowded, diseased or abandoned hives.

(b) *Complaint and notice.* Upon their own initiative or upon receipt of a detailed written and signed complaint being made to the animal control unit by any of the town residents that any person is maintaining nuisance bees, the animal control unit may cause the owner of the bees in question to be notified that a complaint has been received, or take immediate action to abate the nuisance if deemed necessary.

(c) *Abatement.* If investigation of the investigating animal control officer indicates that the complaint is justified, but that action by town staff to immediately abate the nuisance is not deemed necessary, then the chief or designee shall cause the owner or keeper of the bees in question to be so notified and ordered to abate such nuisance and may issue a citation for the violation. However, if immediate abatement of the nuisance is deemed necessary, then the investigating animal control officer may cause the bees and/or hive in question to be seized and relocated, or if the nuisance bees and/or hive cannot be reasonably seized and relocated, the animal control officer may cause them to be destroyed in the field. In such instances, the owner of the bees shall be responsible for any costs incurred to effectuate the seizure, relocation, or destruction of the bees and/or hive.

(d) *Seizure and relocation upon failure to abate.* If any person actually or constructively receiving notice in the manner herein described shall fail or refuse to abate the nuisance upon order of the chief within the specified time, the chief may cause the domesticated bees and/or hive in question to be seized and relocated. In such instances, the owner of the bees shall be responsible for any costs incurred to effectuate the seizure and relocation of the bees and/or hive.

(e) *Notice to owner.* Upon seizing bees and/or their hive, the animal control officer shall cause a prompt and reasonable effort to be made to locate and notify the owner of the bees, if the owner is known or reasonably ascertainable. A notice of seizure shall be left with the owner or affixed to the premises of the owner, if the owner is known or reasonably ascertainable.

(f) *Redemption; destruction.* If the owner shall so request in writing within five days of the seizure of the bees and/or hive, the bees and/or hive that have been seized and relocated may be redeemed upon the owner's execution of a written agreement to comply with the abatement order and payment of all sums due hereunder. If no such written request is made, or if such a request is made, but a written agreement to comply with the abatement order is not delivered to the chief within five days of the seizure, then the bees and hive shall be deemed abandoned and shall be destroyed in a humane manner, or become the property of a member of a legitimate beekeeping association provided that bees are maintained in compliance with the provisions of this chapter and provisions related to beekeeping found in the Town of Cary Land Development Ordinance.

(g) *Revocation of Accessory Use Permit.* In instances where the owner fails or refuses to abate the nuisance within the specified time, and has not appealed pursuant to section 6-139, the Planning Director may revoke the owner's Accessory Use Permit, and the owner shall be unable to reapply for another Accessory Use Permit for beekeeping for a period of twelve (12) months. (Ord. No. 2012-Code-06, 10-11-2012)

Sec. 6-72. Lazy Daze, Spring Daze, July 4th Celebration at Regency Park and other designated special events; animals prohibited.

(a) *Applicability.* Lazy Daze Arts and Crafts Festival, Spring Daze and July 4th Celebration at Regency Park are town-sponsored festivals attracting extraordinarily large numbers of spectators confined to a limited area for festivals that are of greater duration than other community events. The presence of animals at these festivals poses some concern for both spectators and the animals. In addition to those festivals listed, the presence of animals at other events may pose similar concerns, and sponsors of other special events may request the town manager or his authorized designee in writing to apply the provisions of this section to such special events. The town manager, or his designee, is authorized to approve such requests if he or she determines that the number of spectators, the size of the area on which the special event takes place, or the threat to the public safety or health would warrant the application of this section.

(b) *Unlawful to have animal at Lazy Daze, Spring Daze and July 4th Celebration at Regency Park.* It shall be unlawful for any person owning or having possession, charge, custody, or control of any animal as defined in section 6-3, to take that animal, whether or not under restraint, into, or allow the animal to enter, the boundaries of Lazy Daze, Spring Daze or the July 4th Celebration at Regency Park or any other special event to which these provisions have been made to apply. The boundaries and the interior of Lazy Daze, Spring Daze and July 4th Celebration at Regency Park and any other

special event to which these provisions apply, shall consist of any property that is part of the festival or other special event and shall include any public street, sidewalk, or other publicly owned area that is within or constitutes the boundary of the event.

(c) *Failure to remove animal.* It shall be unlawful for any person with an animal on or within the boundaries of Lazy Daze, Spring Daze and July 4th Celebration at Regency Park or any special event to which these provisions have been made to apply to fail to obey the command of a law enforcement officer or animal control officer to remove such animal from on or within the boundary of Lazy Daze, Spring Daze and July 4th Celebration at Regency Park or the special event.

(d) *Exceptions.* This section shall not apply to those animals that are part of an authorized exhibit. Town police officers and animal control officers shall have the authority to specify the conditions for having such animals for the protection of the public and for the well-being of the animals. This section shall not apply to guide dogs or hearing-aid dogs in the company of blind or deaf persons.

Sec. 6-73. Rabies inoculation tags.

Dogs shall wear rabies vaccination tags at all times, as required by G.S. 130A-190(a). Cats and ferrets are not required to wear the rabies inoculation tags, but the owner of a cat or ferret shall maintain the tag or the rabies vaccination certificate as written evidence to prove the cat or ferret has a current rabies inoculation and shall produce such tag or certificate as requested by animal control and as otherwise required by law.

(Code 1982, § 4-22; Ord. No. 01-022, § 1, 11-8-2001; Ord. No. 2010-Code-08, 10-14-2010)

Secs. 6-74—6-104. Reserved.

ARTICLE IV. RESERVED

Secs. 6-105—6-131. Reserved.

ARTICLE V. ENFORCEMENT, SEIZURE AND IMPOUNDMENT

Sec. 6-132. Enforcement.

(a) *Purpose.* The town council's determination is that it is important to enforce vigorously and effectively this chapter's provisions. The council makes the following findings to accomplish the objective of vigorous and effective enforcement of these provisions that:

- (1) A current rabies inoculation tag is vital for public health, for the ability of the animal control unit to carry out its functions, for the protection of the owner and for the protection of the animal and, therefore, must be complied with. The owner of an animal, particularly a dog, has a very serious obligation of ownership and a duty to the citizens of Cary to comply with town rabies inoculation requirements.
- (2) The presence of a domestic animal at large often creates substantial anxieties and concerns for people for safety and free movement; and, therefore, the owner has an obligation to the citizens of Cary to see that their domestic animals do not go at large.
- (3) The possibility of an animal bite is a serious anxiety for persons, neighborhoods and areas in Cary; and, therefore, owners have an obligation to prevent the creation of that apprehension and concern.
- (4) An animal owner has a particular responsibility for being conscious of and sensitive to any possible dangers for children under the age of seven years who, at that age, are unable to fully appreciate the possible danger presented by an animal and an animal's reaction to a child under the age of seven.
- (5) The animal control unit must have ample authority to impose preventive measures, seize and impound animals, and, if necessary, terminate ownership rights.
- (6) Escalating fees and other sanctions are measures that have been adopted to protect the citizens of Cary and to declare that the ownership of animals entails publicly related responsibilities.

(b) *Methods of town.* When there is a violation of this chapter, the chief may take one or more of the following courses of actions set forth in this section. The chief may cause a complaint to be filed or any action to be brought on behalf of the town and may collect any amount for outstanding costs, fees or penalties assessed or imposed pursuant to this chapter. Any such action shall be cumulative and shall not be deemed as a bar to or a waiver of the right to institute any other civil or criminal proceeding for a violation of this chapter.

- (1) *Civil penalties.*
 - a. Violations of section 6-73 (failure to have rabies tag): Penalty: \$50.00 for failure to have current inoculation.
 - b. Violation of section 6-65 (domestic animals at large) or 6-67(a)(12). The issuance of a citation for a violation of Code section 6-65 (domestic animals at large) or 6-67(a)(12), like other ordinances concerning animals, is directed toward and against the owner of the animal. The purpose of the issuance of a citation is to affect the conduct of the owner of an animal by seeking to have an owner responsibly maintain restraint and confinement of the animal. To encourage responsible conduct, an owner shall be subject to escalating penalties for each violation of this section by the owner, whether the animal is the same animal, a different animal or various animals belonging to the owner. Each violation of Code section 6-65 or 6-67(a)(12) shall subject the owner to an increased citation penalty:

<i>Offense</i>	<i>Penalty</i>
1st	\$ 20.00 fine
2nd	\$ 50.00 fine
3rd	\$ 75.00 fine
4th	\$ 100.00 fine
5th	\$ 250.00 fine and seizure of the animal

- c. *Violation of section 6-69 (animal bite) or 6-70 (dangerous dog).* Penalty: \$100.00.
- d. *Other violations:* All other violations shall be subject to a penalty of \$20.00 for the first violation and \$50.00 for each subsequent violation.

- (2) *Criminal misdemeanor.* The violator may be charged with a misdemeanor. Criminal action may be initiated by any police officer or animal control officer;
- (3) *Injunction.* The town may apply to the appropriate court for injunctive relief, orders of abatement and/or orders of custody which could require that a violator correct any unlawful condition relating to this chapter existing on his or her property. The chief may request the initiation of any such actions.
- (4) *Seizure/impoundment.* In addition to criminal or civil penalties, for certain violations of this chapter, or if conditions pose an immediate threat to the health or safety of the animal or the public, animal control is authorized to seize and impound an animal.
- (5) *Exception.* Nothing in this chapter shall be construed to prevent law enforcement officers of any kind from enforcing any of the provisions of this chapter or from exercising their authority as law enforcement officers.
- (6) *Liability for payment.* Surrender of an animal or failure to redeem an animal shall not relieve the owner of responsibility for payment of any outstanding civil penalty that was assessed prior to the animal being surrendered or as a result of the animal being impounded. If payment of a civil penalty is not received within 15 days of issuance of the citation, the chief may initiate legal proceedings to recover the amount of the penalty.

(c) *Private enforcement methods.* Nothing in this chapter shall prevent a private citizen from bringing an action to abate a nuisance or from bringing an action for damage, loss or injury to the private citizen or his or her property resulting from an animal being a nuisance.

(Code 1982, § 4-28; Ord. No. 01-022, § 1, 11-8-2001; Ord. No. 2012-Code-02, 4-19-2012; Ord. No. 2012-Code-04, 8-23-2012; Ord. No. 2016-Code-01, 2-25-2016; Ord. No. 2019-Code-02, 9-12-2019)

Sec. 6-133. Citations.

(a) *Citations.* Animal control officers are empowered to issue citations to any person if there is reasonable cause to believe that the person has violated any provision of this chapter. These citations may be delivered in person to the violator; or, if the violator cannot be readily found, the citation may be mailed as provided in section 2-1. The citation shall direct the violator to pay the citation within 15 days of the date of the citation. The citation may be paid at the town finance office.

(b) *Notice of further actions.* If the violator does not pay the citation within 15 days of its issuance, a notice thereof will be mailed to the violator. This notice shall inform the violator that further legal action may be filed if the citation and delinquency charges are not paid within 15 days from the date of the delinquency notice.

(c) *In duplicate.* All citation forms shall be serially numbered in duplicate. Records of all citations shall be maintained so that all such forms shall be capable of being accounted for. The town finance director, or designee, shall periodically investigate the records of the unit for the purpose of determining the disposition of the citations and shall report the results of such investigation to the town manager. For the purpose of this investigation, the finance director shall have access to the necessary records of the unit.

(Code 1982, § 4-29; Ord. No. 01-022, § 1, 11-8-2001; Ord. No. 2019-Code-04, 10-10-2019)

Sec. 6-134. Seizure and impoundment.

(a) *Seizure.* Domestic animals may be seized and impounded when found at large, or as otherwise provided in this chapter. The unit, or some other designated person, upon receiving such animal shall make a complete registry, entering the breed, color and sex of such animal.

(b) *Notice to owner.* Upon seizing an animal a notice of seizure shall be left with the owner or affixed to the premises. If an animal is not from a particular premises but has an identification tag, the animal control officer shall cause a prompt and reasonable effort to be made to locate and notify the animal's owner.

(c) *Failure to redeem.* If the owner fails to redeem the animal within the time limit provided in this chapter, or fails to timely request an appeal, or fails to timely appeal the manager's decision, or if the animal is seized the animal shall be deemed abandoned and disposed of as provided in section 6-137.

The animal control officer removing the animal shall then impound it and leave in a prominent place on the motor vehicle a written notice of the animal's impoundment, a brief description of the animal, and where and when the animal may be reclaimed. This card will be stamped with the date stating the date by which the animal must be given a rabies vaccination by a provider of the owner's choice. The time limit for dogs and cats aged four months and older will be 72 hours, with Sundays and holidays excluded. For puppies and kittens aged under four months, the limit will vary according to their age. The proof-of-rabies vaccination card will be completed and returned to the animal shelter by the veterinarian. If no redemption or boarding fees are owed, the appeal bond shall be paid to the animal control unit.

(h) *Decision upholding action.* If the decision is against the person requesting the appeal, animal control shall implement the sanction(s) upheld by the manager.
