These budget amendments take the already appropriated \$85,000 for city entry signage from the FY2024-2025 budget and transfer it to the Short Term Capital Project Fund under department 9204. This is being done based on the estimated timelines for completion extending beyond the fiscal year. Further, staff requests guidance as to material used in the project that will be discussed. Create Department 9204 for the City Entry Roadside Signs in the Small Capital General Fund (Fund 798) and transfer already budgeted funds from the General Fund (Fund 110).
